

## Authorization for Access to the District's Electronic Networks Form

**Students must have a parent/guardian read and agree to the following before being granted unsupervised access:**

All use of the Internet shall be consistent with the District's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. **The failure of any user to follow the terms of the *Acceptable Use of the District's Electronic Networks* will result in the loss of privileges, disciplinary action, and/or appropriate legal action.** The signatures at the end of this document are legally binding and indicate the parties who signed have read the terms and conditions carefully and understand their significance.

I have read this *Authorization* form. I understand that access is designed for educational purposes and that the District has taken precautions to eliminate controversial material. There are circumstances where students may be required to access YOUTUBE as part of classroom instructions or activities. No student is to access YOUTUBE unless under teacher supervision and only for the purpose set forth by the teacher. In the event the teacher finds that a student is accessing YOUTUBE without authorization or accessing YOUTUBE sites not part of the instruction or direction of the teacher, the teacher will immediately report the student to the principal for disciplinary measures pursuant to the policy. However, I also recognize it is impossible for the District to restrict access to all controversial and inappropriate materials. I will hold harmless the District, its employees, agents, or Board members, for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child's use is not in a school setting. I have discussed the *Acceptable Use of the District's Electronic Networks* with my child. I hereby request that my child be allowed access to the District's electronic networks, including the Internet.

I understand and will abide by the *Acceptable Use of the District's Electronic Networks*. I understand that the District and/or its agents may access and monitor my use of the Internet, including my email and downloaded material, without prior notice to me. I further understand that should I commit any violation, my access privileges may be revoked, and school disciplinary action and/or legal action may be taken. In consideration for using the District's electronic network connection and having access to public networks, I hereby release the School District and its Board members, employees, and agents from any claims and damages arising from my use of, or inability to use the District's electronic networks, including the Internet.
