

SUMMIT HILL SCHOOL DISTRICT 161

Military-Connected Student Survey

The state requires the district to collect a Military-Connected Student Survey for every student. This information is used to count the students whose Legal Guardian is a member of the Armed Forces or Full-time National Guard on active duty.

- “Armed Forces” means the Army, Navy, Air Force, Marine Corps, and Coast Guard.
- “Active duty” means full-time duty in the active military service of the United States, including full-time training duty, annual training duty, and attendance, while in the active military service, at a school designated as a service school by law or by the Secretary of the military department concerned. Such term does not include full-time National Guard duty.
- “Full-time National Guard duty” means training or other duty, other than inactive duty, performed by a member of the Army National Guard of the United States or the Air National Guard of the United States in the member’s status as a member of the National Guard of a State or territory, the Commonwealth of Puerto Rico, or the District of Columbia under section 316, 502, 503, 504, or 505 of title 32 for which the member is entitled to pay from the United States or for which the member has waived pay from the United States.
