DR. JULIAN ROGUS SCHOOL (815) 464-2034

**Mission-** To educate children in a nurturing environment.

**Vision-** To create a school where children are loved for who they are and challenged to aim high.

**Values-** Acceptance, Belonging and Community.

### Mrs. Deaton's Class

Mrs. Deaton's Kindergarten class had fun celebrating the 100<sup>th</sup> day of school! The students used an aging app on one of their classroom tablets to take a picture of themselves, and then transform the picture into what they would look like if they were 100 years old. The elderly wrinkles on their faces made the students laugh, and they were excited to complete the second half of the project. The students then used their narrative writing skills to imagine and write about what they would do if they were 100 years old. The students used skills that they have been working on all year such as handwriting, sounding out words, and correctly forming sentences. They worked hard and did a fantastic job with this project!

- February 9 In-View Testing-4<sup>th</sup> Grade
- February 12 Art Week, Hearing and Vision
- February 13 Hearing and Vision
- February 14 **Valentine's Day Celebration**

### Valentine's Day Celebration

RESCO is sponsoring a Valentine's Day celebration in the gym for our kindergarten through fourth grade students. A variety of activities are planned. In addition, RESCO will provide a treat for your child.

Because RESCO provides a treat for your child, please avoid sending candy and treats to school for your child to pass out. Any candy brought into the school from your child will be placed in their backpack and returned to you.

Your child is welcome to send in Valentine's Day cards for each child in their classroom. Some cards have candy already attached to them. If this is the case, the child will be able to take it home and it will not be eaten at school. Happy Valentine's Day!
