Dear Frankfort Square School Families,

Welcome to the 2018-2019 school year! We are excited for school to begin and look forward to seeing our students! As we continue to prepare for the first day of school, I want to share upcoming dates and information that pertain to the start of the school year.

If you have registered your child(ren) for school, students and their families will have access to classroom assignments and bussing information on August 15 at 9:00 AM via PowerSchool. Parents will need the username and password information to log into PowerSchool.

On August 17 at 11:30 AM, there will be an informational orientation for new students (including all first grade students). During the orientation, students and their families will have the opportunity to learn about the school, the expectations, and tour the building. Additionally, students will have the opportunity to drop off their school supplies. We hope that by providing time for your child and you to become familiar with the school, we can make the transition from summer to the beginning of the school year as smooth as possible.

If you have a child in grades 2-4 who is returning to Frankfort Square School, please feel free to drop off your child's school supplies between the hours of 1:00 PM – 3:00 PM on August 17. This year, there will not be an orientation presentation for returning students and families.

*If you are unable to attend the orientation or drop off your child's supplies on August 17, please feel free to have your child bring her/his supplies to school on the first day of school. We will have staff available to assist your child.

As you know, the first day of school for students is August 22. Please be advised that the first day of school is a full attendance day. Students will need a lunch for the first day of school. School hours are 9:00 AM – 3:30 PM. Doors will open at 8:50 AM. Parents are welcome to walk their child(ren) to the front doors of the school. Children who ride a school bus will be escorted from the bus. As the children arrive, we will have staff members greet the children and escort them to the gym for our first all-school assembly.

Curriculum Night is scheduled for September 6 from 6:30 PM – 7:45 PM. The teachers will provide a brief presentation detailing the expectations, rules, and curriculum for your child's grade level. First Grade will present at 6:30 PM. Second Grade will present at 6:45 PM. Third Grade will present at 7:00 PM.

PM. Fourth Grade will present at 7:15 PM. Should you have multiple children in multiple classrooms, our goal is that this schedule will allow you to attend multiple presentations.

Fall Picture Day is Tuesday, August 28. Ordering information will be sent home with the students during the first week of school.

We will continue with the practice of having the school busses enter the parking lot by means of the drop-off / pick-up lane. During dismissal time, please continue to wait on Kingston Drive until you are directed by a staff member to pull forward or until the three school busses have arrived. Once the three school busses have arrived, you may begin lining up in the drop-off / pick-up lane.

Please make sure your child's health information, immunization documentation, and other health-related information is up-to-date and given to the school nurse. It is imperative that the school nurse be made aware if your child has an allergy to a specific food, has an inhaler, or any other medical need.

Again, welcome to the new school year. We look forward to working with you on your child's behalf. Should you have any questions, please do not hesitate to contact us at 815-469-3176.
