State and federal laws require public school districts to release report cards to the public each year.

This year, we have updated the report card to provide a full picture of school performance beyond just test scores. A display of this data designed with parents and communities in mind is available on illinoisreportcard.com. All of the metrics posted on illinoisreportcard.com are also included in this report.

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

English Learner students are those students eligible for transitional bilingual programs.

Total Enrollment is based on [Serving School](#).

Homeless students are who do not have permanent and adequate homes.

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

Partnership for Assessment of Readiness for College and Careers (PARCC)

Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are five Performance Levels for PARCC assessments:

- Level 1: Did not yet meet expectations
- Level 2: Partially met expectations
- Level 3: Approached expectations
- Level 4: Met expectations
- Level 5: Exceeded expectations

Students performing at levels 4 and 5 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors (PLDs) describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area (ELA and mathematics), and at each grade level/course. PLDs are available at

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

English/Language Arts Goal: Arbury Hills staff members will work to increase the number of students meeting expected growth targets on State and local assessments.

- Students will analyze how two or more texts address similar themes or topics.
- Students will read and comprehend complex literary and informational text independently and proficiently.
- Students will write arguments to support claims in an analysis of applicable topics or texts across the curriculum using valid reasoning and relevant and sufficient evidence.
- Teachers will continue their focus on differentiation.
- Teachers will utilize reading materials with appropriate text complexity using assessment data to drive instruction and offer re-teaching opportunities.
- Reading Tutoring will continue to be offered as an intervention to further support students.
- MTSS: Student data will drive the RtI process through the use of NWEA, AIMS web, ELL-Access, and/or other District approved progress monitoring tools. Data will be utilized to determine Tier II and Tier III interventions for students.

Math Goal: Arbury Hills staff members will work to increase the number of students meeting expected growth targets on State and local assessments.

- Students will continue to solve math problems with complexity increasing at each grade level.
- Students will continue to be able to solve problems using manipulatives, pictures, numbers, and words.
- Teachers will continue their focus on differentiation.
- Implement a designated time for math support.
- Teachers will continue to use assessment data to drive instruction and offer re-teaching opportunities.
- Staff will continue to utilize data to determine students who will attend Math Tutoring offered before school.
- MTSS: Student data will drive the RtI process through the use of NWEA, AIMS web, CBM, ELL-Access, and/or other District approved progress monitoring tools. Data will be utilized to determine Tier II and Tier III interventions for students.

Behavior Goal: Arbury Hills staff members will implement the PBIS program with fidelity to proactively teach pro-social conduct and behavioral expectations. We will work to identify and support social and emotional learning needs.

- Continued School-wide implementation of PBIS.
 - Individual Praise – Students will earn PBIS tickets to use on a monthly basis to shop at the PBIS Cart.
 - Classroom Praise – Classrooms will earn marbles. Once the marble jar is full, a classroom incentive will take place.
- Continued school-wide implementation of PBIS Tier II behavior supports (SAIG Groups, CICO).
- School-wide use of Cool Tool lessons based upon current behavioral data (SWIS), and monthly topics will be taught to be proactive in teaching school expectations.
 - The Social Worker will utilize character education lessons (Second Step, Mind Up, Teach Town, Model Me Kids) with all students.
 - Teachers will utilize Second Step curriculum to support the social emotional needs of their students.
 - A continued emphasis will be placed on Lunch / Recess expectations.
- Continued implementation of the Universal Behavior Screeners throughout the year.
- Continued work with the MTSS Universal and Tier II PBIS committees to review and analyze data on a monthly basis.
- Student Ambassadors will be utilized to model PBIS expected behaviors and monitor the effectiveness of teaching cool tools.
- Ongoing communication with families regarding bullying prevention, PBIS, and social emotional supports.

Technology Integration Goal: Arbury Hills staff members will utilize the assistance of the technology teacher and additional technology devices to increase overall usage of technology, improve skills, and strengthen academic learning opportunities.

- Continue to provide opportunities for technology use by integrating technology within core lessons.
- Continue to incorporate technology skills and technology integration in each classroom.
- Ensure regular tablet use within classrooms.
- Use provided resources such as Wixie, Think Central, Razkids, Discovery Education and Office 365.
- Implement digital citizenship using Common-Sense Media
