State and federal laws require public school districts to release report cards to the public each year.

This year, we have updated the report card to provide a full picture of school performance beyond just test scores. A display of this data designed with parents and communities in mind is available on [illinoisreportcard.com](http://illinoisreportcard.com). All of the metrics posted on [illinoisreportcard.com](http://illinoisreportcard.com) are also included in this report.

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

**English Learner** students are those students eligible for transitional bilingual programs.

**Total Enrollment** is based on [Serving School](#).

**Homeless** students are who do not have permanent and adequate homes.

## SCHOOL DISTRICT FINANCES

### TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

### Partnership for Assessment of Readiness for College and Careers (PARCC)

Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are five Performance Levels for PARCC assessments:

- Level 1: Did not yet meet expectations
- Level 2: Partially met expectations
- Level 3: Approached expectations
- Level 4: Met expectations
- Level 5: Exceeded expectations

Students performing at levels 4 and 5 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors (PLDs) describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area (ELA and mathematics), and at each grade level/course. PLDs are available at

## PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

To increase overall student performance in ELA

- Continued focus on Common Core State Standards: English/Language Arts
- Continue analyzing NWEA MAP data in deficient areas to incorporate skills into daily lessons
- Continue to incorporate thematic units of study aligned to CCSS
- Utilize *Journeys/Collections* resource along with available online resources
- Increase parent communication in regard to supporting formative and summative assessments
- Continued focus on differentiation and RtI
- Focus on writing, with emphasis on citing text evidence
- Continue offering intervention groups (“tutoring”) this year beyond the school day for tiered students

To increase overall student performance in mathematics

- Continued focus on increasing performance overall in the areas of Geometry, Fractions, and Representing & Interpreting Data
- Continue analyzing NWEA MAP data in deficient areas to incorporate skills into daily lessons
- Utilize “Problem of the Day/Week” in math classes to reinforce skills
- Increase parent communication in regard to supporting formative and summative assessments
- Continued focus on differentiation and RtI
- Continued focus on Common Core State Standards: Mathematics
- Continue to incorporate use of *Go Math* resource in addition to online resources

Continue Implementation and Refinement of Positive Behavioral Interventions and Supports

- Monthly and quarterly behavioral data review sessions to guide reinforcement of expectations
- Refinement of tier two interventions, SAIG incorporated
- Provide PBIS “kick-off” and boosters to entire student body
- Enhance positive communication through the use of Walker WOW Postcards
- Continue use of “Student Ambassadors”
- Continue implementing “Cool Tools” in every classroom utilizing Second Step as a resource
- Conduct quarterly PBIS “celebrations” rewarding positive behaviors
- Conduct Team PBIS rewards monthly or upon achieving expected number of Team PAWs
- Continue use of PBIS Store/PawMart to reward/reinforce expectations
- Continue utilizing Universal Screening Process for students at risk in the area of social-emotional development

Continue Implementation and Refinement of Social-Emotional Resource Program

- Continue analyzing ongoing social-emotional skill deficits that impede their ability to sustain participation in the general education setting across the school day
- Continue to incorporate designed instruction that may include: social skills, school success strategies, conflict resolution, functional academic skills, executive functioning skills incorporating growth mindset and restorative disciplinary practices
- Continue implementing student participation in the general education classroom/curriculum while receiving supports within the SER Program for up to 50% of school day
