

December 1, 2018

Arbury Families,

I enjoyed seeing so many of you during conferences last month. Thank you so much for taking the time to partner with us in order to provide the best education possible for your child. I was excited to hear from teachers that conferences went well, and we have such a supportive community. I would also like to say thank you to our STARS volunteers and families who provided lunch during conferences. It was delicious and very much appreciated.

Here is a look at the month ahead:

NWEA MAP Testing-Students will be taking their winter benchmark next week December 4-7.

Holiday Program- Our Holiday Program will be held on December 11. Please see the attached handout regarding specific times to attend. Please be aware that each family will be given 6 tickets. You will need to present the tickets for entrance to the program. Tickets will be sent home with the oldest child in each family on Monday. STARS has also sent home a raffle for front row seats and a parking pass for the Holiday Program. Please see the flyer that was sent home on Thursday. We look forward to celebrating the Holiday Season with you and your family.

Holiday Party-Our STARS is again working on the details for a whole school Holiday party. Please be sure to see information regarding sign up from STARS for helping at the party on the 21st.

Have a wonderful Holiday Season!

Mrs. Boss
