

February 1, 2019

Arbury Families,

I hope you were safe in this extreme cold that came across our area. It is amazing that we are already in the month of February. This school year is going by so quickly. I am enjoying seeing the kiddos growing academically and physically. The team here at Arbury is excited to celebrate family night with you this coming week. Our teachers have been busy planning many fun activities for you to do with your children. I hope you enjoy the evening. The bookfair will open at 5:00 (Door 13) and the Family Night will begin at 5:30(Door 18). The evening will conclude at 7:00 pm.

Thank you so much for your assistance as you follow the guidelines for drop off and pick up. We appreciate your assistance as we work towards keeping all our students safe.

Here is a look at the month ahead:

CogAT Testing- Fourth grade students will be taking their CogAT testing this coming week. Please be sure to have your student take time to eat a healthy breakfast and get plenty of sleep. This test will be taking the place of the In-view test that was given in the past.

Math-a-thon-Thank you to those of you who have participated in the Math-a-thon fund raiser for St. Jude. Our goal was \$1,000 for our school. At last look we were at \$850.00. Thank you for your assistance.

Have a great February!

Mrs. Boss
