

Dear District 161 Staff and Families-

As you know, we are observing the shelter in place order authorized by Gov. Pritzker until at least the end of the day, Tuesday, April 7. We anticipate we will receive further guidance from the State of Illinois regarding an actual return date, with the earliest possible date for students to return being Wednesday, April 8.

Our buildings are closed the week of March 23. However, we are working remotely and are available via e-mail throughout the school day.

Should you have any questions or need information particular to your student's school, please e-mail your Building Principal. Please allow up to 24 hours for a response.
