

Summit Hill School District 161 Early Learning Preschool Screening 2021-2022

Summit Hill School District 161 provides free preschool screenings for children ages 3-5 who reside within our district boundaries. Preschool screenings are beneficial in that they help parents and teachers decide if a child's skills are appropriate for his/her age or if further testing or interventions are needed. Sessions take approximately one hour. An adult must be present at the screening.

To register your 3-5 preschool child for a screening for one of the dates listed below,
