Where did the school year go? I cannot believe we are down to just a few weeks. Thank you for all your support this school year!

Staff and Teacher Appreciation Week May 6 – 10

Our teachers and staff work very hard all year to nurture and educate your child. Please take some time to reach out to our teachers and staff to share your appreciation for all they do.

If you have not already done so, please register your child for the 2024-2025 school year. If you will be transferring out of our district or transferring to a different school in our district, please call the Indian Trail Office at 815-469-6993 and notify of us of your intent. This will help with planning for the upcoming school year.

Indian Trail is a Bully Free Zone

We at Indian Trail EXPECT RESPECT in all areas of the school. We work hard to ensure a safe, nurturing, and positive climate for all students and staff. It is imperative that you help us maintain an environment that is conducive to learning and free from bullying behaviors.

TYPES OF BULLYING

Verbal Bullying-usually consists of teasing, mocking, spreading rumors, lying about others. Bullying comments may focus on outer appearance. But to be bullying it must occur more than one time.

Emotional/Social Bullying- uses peer pressure and manipulation to isolate the target and to hurt their feelings. The victim usually feels that they have no friends, no one to talk to, and no way to escape.

Physical Bullying- Consists of pushing, tripping, hitting, or acting like you are going to push, trip or hit another.

Cyber Bullying – Includes written or electronic communication directed to another to cause fear, emotional, or psychological harm.

WHAT IS BULLYING?

Any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing a student in reasonable fear of his/her personal property or
- Causing substantially detrimental effect on the student's physical or mental health or
- Substantially interfering with the student's academic performance or
- Substantially interfering with the student's ability to participate in services, activities, or privileges provided by a school

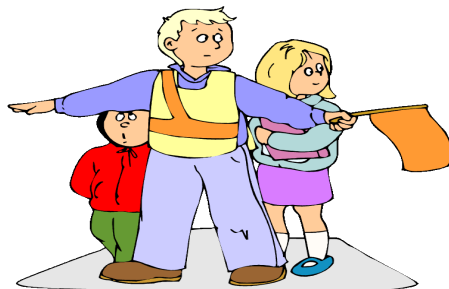

What can we do together to PREVENT bullying behavior?

- Create clearly defined expectations
- Teach social skills and tolerance early
- Foster positive relationships and environments
- Empower students to support and respect each other
- Set the right examples for students to follow
- Consistent and informed communication between home and school

- Students may not play on recess equipment before school without a parent/guardian present to supervise
- From 8:45-8:59, students enter the school using doors 15 and 11
- Students arriving after the 9:00 tardy bell **MUST** enter the school through the main entrance with an adult
- First Graders exit door 15
- Second Graders exit door 11
- Third Graders exit door 11
- Fourth Graders with their siblings exit door 10 and are picked up in the back parking lot
- Post your child's first and last name on the passenger side of the car
- Always remain in your car while in the circle drive
- Form two lines until you come to the first turn
- You will begin to merge in one at a time (unless staff are there to direct)
- Pull forward as far as you can
- Cell phone use while driving is prohibited in school zones (this includes the school lot)
- If you walk, please stand on the sidewalk closest to the school sign and wait for your child
- Congregating by school exit doors is not allowed

- Be respectful to all Trailblazer students and staff

Indian Trail Student Arrival and Dismissal Procedures

Student Drop-off at Indian Trail will be from 8:45-8:59. There is no guaranteed supervision for children arriving before 8:45, so please do not drop children off earlier than 8:45.

We are continuing with our previous practice for arrival and dismissal. Please know the process will take longer in the beginning, but we will work to streamline as the year progresses. Please refrain from planning appointments or meetings around the time of arrival and dismissal. I would not want you to be late for those appointments, as I cannot predict how long it will take for some students to enter and exit the building.

From 8:45-8:59, students will enter the school utilizing doors 15 and 11.

Students arriving after the 9:00 tardy bell MUST enter the school through the main entrance with an adult (by the flagpole). All other doors are closed and locked at 9:00 for security purposes.

Parents will drop off their children in the “circle drive” located on the north side of the building. You must remain in your vehicle at all times while in the circle drive. Your child will remain in your vehicle until 8:45 when staff members exit the building to allow students to enter. You will form two lines until you come to the first turn. There will be a staff member there to merge you into one line. After the merge, PARENTS ARE TO PULL AS FAR FORWARD AS POSSIBLE between the cones to drop off their children. Please pay attention to the staff directing you. Students may exit the vehicle as soon as the sidewalk begins even if they are not right at the school door. The longer you wait to let them out, the later they will be for class. When parents cooperate with staff, we do not have drop-off safety concerns and traffic flow moves seamlessly.

Please post your child’s first and last name in the passenger side of the window for both arrival and dismissal. If your child is a new student to the school, please post “New Student” on the sheet, as well. This will allow us to group your child(ren) with other new students and escort them to class.

At dismissal, you will follow the same procedure as arrival. Your children will remain in the building and will be called to exit the building based on your position in the circle drive. A staff member will exit the building around 3:15 to start calling in the order of names from your window sign. Please have your signs posted clearly on the passenger side and leave them in place until your child enters the vehicle.

If your child walks to school or brings their bike, they must not arrive prior to 8:40. They can lock up their bike and line up on the yellow line prior to entry. Parents are not allowed to congregate by any door. You may watch your child from a safe distance. If by door 11 (near bike rack), parents must stand by the baseball field. If by door 15, parents must stand on the sidewalk furthest from the door. Please note, parking lots will be closed off and you are not allowed to park on school property during arrival and dismissal.

Parents are not allowed to stop along Frankfort Square Road to drop off or pick up their children. The curbs are clearly painted yellow, and signage indicates “No Parking.” The Will County Sheriff’s Deputies informed the school they intend to be regularly present and issue tickets to violators. Most important, it is essential that vehicles do not park or stop curbside in this zone since it restricts driver and pedestrian visibility.

Please also be aware that Frankfort Square Road by the school and the school parking lots are cell phone free. This is state law. The deputies can issue tickets to drivers using cell phones in school zones. We do take down license plates of those not following the state law. This is to protect the students and staff.

Parents are not to use the driveway or parking lot on the south side of building (at Inverary Rd). This is for staff parking and buses only.

Children that walk to school will only cross the street at the Frankfort Square Rd/Acorn Ridge intersection accompanied by the crossing guard. Students are not to cross the street at Hickory Creek/Frankfort Square Rd intersection (in front of the school) without a parent or guardian escorting them.

Please refrain from walking along the sidewalk along the circle drive during our arrival and dismissal process. I need this area clear for students and staff to safely distance from one another, as well as prevent any unsafe conditions.

I understand that your little ones might like to run around while they are waiting, please do not allow them to run through the landscaping or play by the school sign.

Pets are only allowed on the sidewalk closest to Frankfort Square Road.

Thank you for your understanding. I look forward to an outstanding year with you and your child!

First Grade News

First graders became emotion experts through a thrilling March Madness-themed competition! Our first graders got a boost to their social-emotional learning (SEL) thanks to a fantastic collection of books assembled by our the first-grade team and our social workers, Mrs. McCarthy and Mrs. Sopha. These books will help students navigate their feelings and become problem-solving superstars! Every day, they enjoyed a captivating SEL story read aloud in class, sparking discussions about the valuable lessons within. Students logged into Schoology every two days to cast a vote for their favorite book out of the last two read. This exciting competition whittled down their initial Sweet Sixteen collection to the Elite Eight, Final Four, and ultimately, Championship Final!

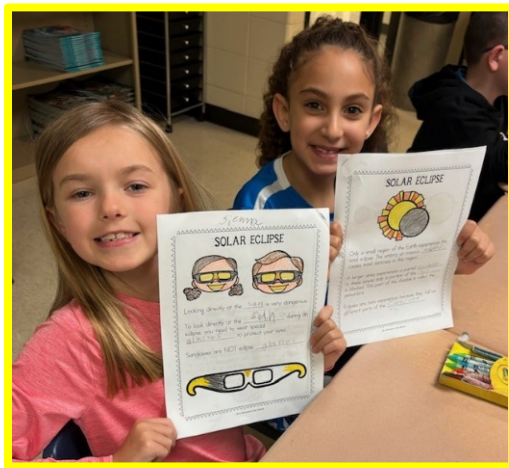

The suspense built as all first-grade classes gathered in the library for the big reveal. With great excitement, Ms. Roy unwrapped several boxes to unveil the champion book – the one that captured the hearts (and votes) of the students. It was none other than *Be Brave Little Penguin!* First graders had a blast learning about social emotional learning in this format!

Second Grade News

The Solar Eclipse proved to be quite a special event for students at Indian Trail School! Second graders learned all about how the eclipse happens, how to prepare for one, and most importantly, how to protect their eyes!

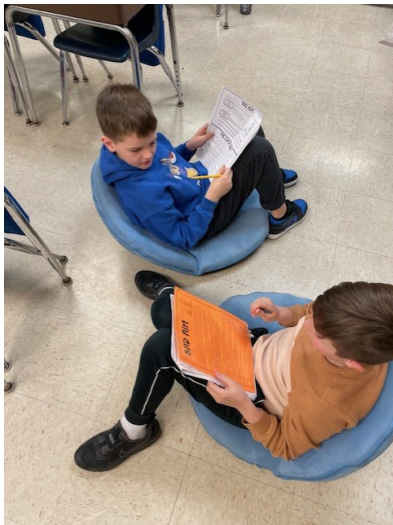

Second graders went outside several different times to see the eclipse at the beginning, middle, and end. As you can tell by the pictures below, students TRULY enjoyed this amazing phenomenon!

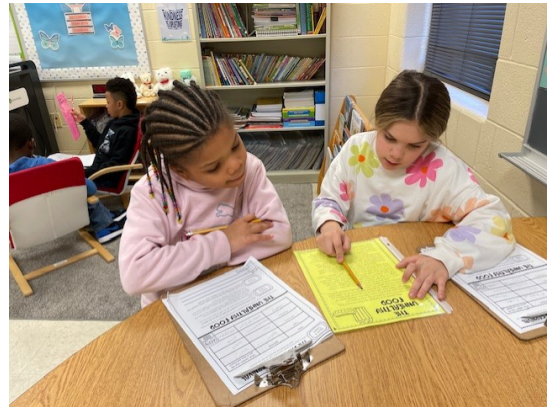

Third Grade News

The CARNIVAL is coming to town!

The third-grade students at Indian Trail worked very hard to get prepared for their first state standardized test, IAR (Illinois Assessment of Readiness). Students prepared for the tests in a fun and engaging way. Each student read rigorous, high-level thinking passages (CARNIVAL THEMED) and then answered text-dependent questions, multiple choice questions, short responses, and matching questions to earn carnival tickets. The difficulty of the questions allowed students to earn different amounts of tickets. These tickets will be used to play various carnival games to celebrate all their hard work.

Savannah and Mila are having fun practicing!

After all their test prep, third grade students were ready to take their "IARRRRR." They enjoyed pirate themed treats for each day of testing courtesy of the SCO. THANK YOU! Students also enjoyed pirate stories, library collections, and activities to keep their spirits up during all their testing. THEY DID AN AMAZING JOB ON EACH TEST AND WE COULDN'T BE PROUDER OF THEM!!!

Fourth Grade News

The students have been working so hard to prepare for their state testing, both in class as well as at home. The fourth graders transformed into SUPERHERO TEST TAKERS to take on the IAR tests in both ELA and Math. They did such an amazing job staying determined and powering through each day of testing. The students then enjoyed a special "End of IAR Testing Lunch" this month. They were able to bring in a blanket to have a special "pizza picnic" in the fourth-grade wing. This was a fun time for the kiddos to unwind after a long few weeks! We are so proud of our fourth graders and enjoyed having some time to sit with them and just enjoy some down time together.

Indian Trail PE News

In Physical Education class at Indian Trail School, we started our racquet unit. The main racquet sports we focused on included: tennis, badminton, pickleball, and lacrosse. The first day we introduced each racket that we will be using as well as proper technique in holding and using each racket. We incorporated each racket into a different station where students were able to get familiar with the piece of equipment, so students would be more successful the rest of the racket unit.

The rest of the week, we played a game called Champion Challenge where students will be able to practice their racket skills we talked about the previous day into a game like situation. Students would play games best of 3, which will give everyone ample opportunities to participate at each court with different types of equipment. Students were engaged, practicing and honing their racquet skills throughout one versus one mini games.
