## Principal's Corner:

Dear Frankfort Square School Families,

The Illinois Assessment of Readiness testing for students in grades 3-8 will begin on March 5 and continue until April 19. Students will be assessed in the areas of ELA and Math. In preparation for the IAR tests, students will practice test items and problems using their tablets. For the ELA tests, Frankfort Square School students will take the assessments during the week of March 11. For the math tests, Frankfort Square School students will take the assessments during the week of April 8. If you would like to learn more about the upcoming IAR assessments, please visit <https://www.isbe.net/iar> or contact your child's teacher.

As a reminder, the Illinois 5Essentials Survey is open for parents/guardians of our students. To generate a parent/guardian survey report, we need a minimum participation rate of 20%. As of today, we have a participation rate of 19%. For more information, please read the email that was sent out March 1.

The Frankfort Square School SCO is looking for volunteers to help with their end-of-the-year celebrations for the students. For more information on how you can volunteer for the FSS SCO's upcoming events, please contact our SCO officers at [frankfortsquaresco@gmail.com](mailto:frankfortsquaresco@gmail.com). Their next meeting is March 11 @ 4 PM in the student lunchroom. As always, children are welcome to attend with an adult.

As a friendly reminder, if there will be a change in transportation for your child, a signed note will need to be sent to school letting us know the date of the change and what the change will be. If you have any questions, please contact our school office at 815-469-3176.

Take care!

Mr. Isdonas
