NUMBER CONCEPTS
STUDENT WORKBOOK

THIS WORKBOOK BELONGS TO:

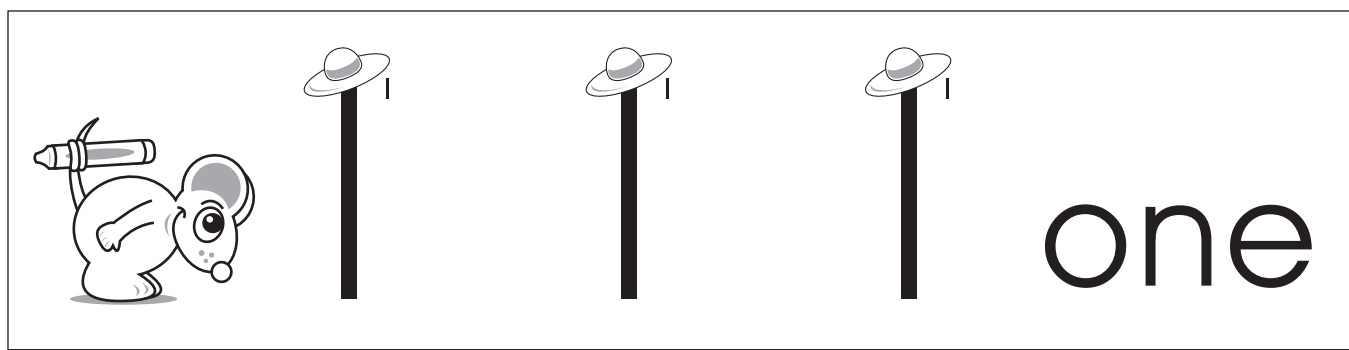

TM1694

Name _____

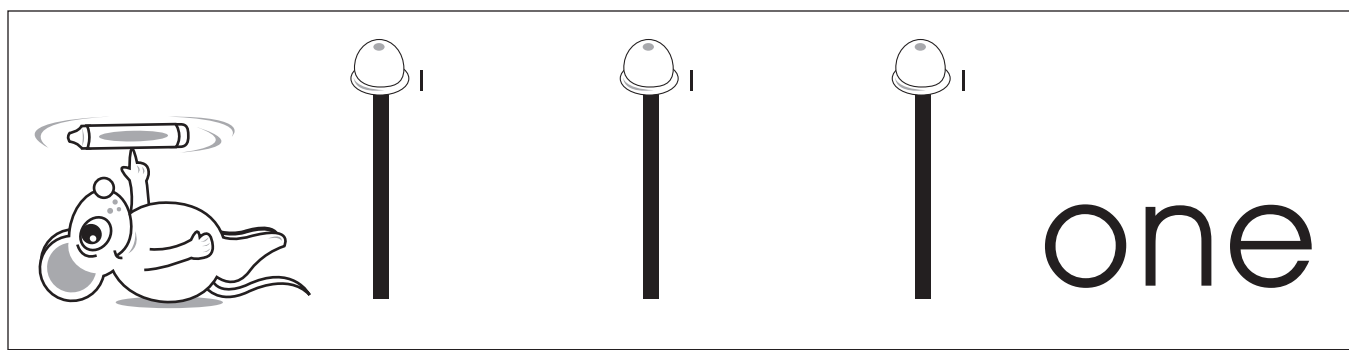

The number one is lots of fun!
She wears a hat. Now think of that!

Name _____

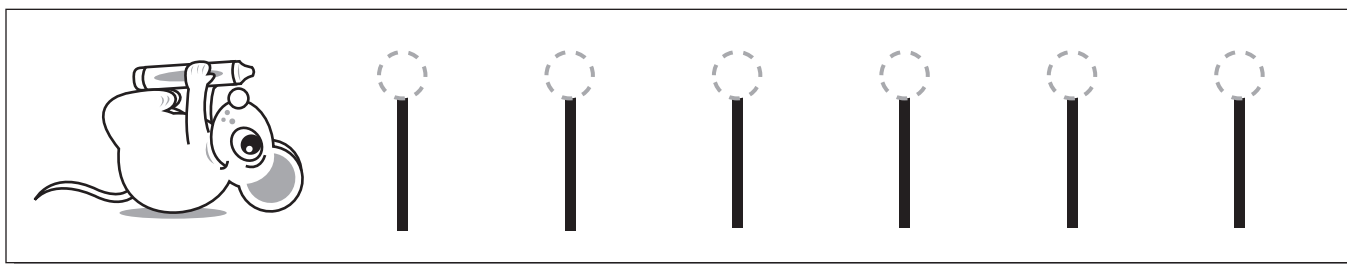

One wears a hat to go out shopping.
And also when she's downtown walking.

Name _____

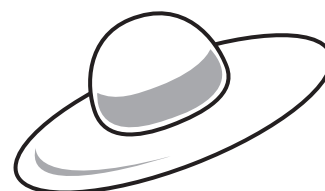

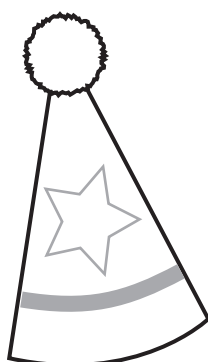

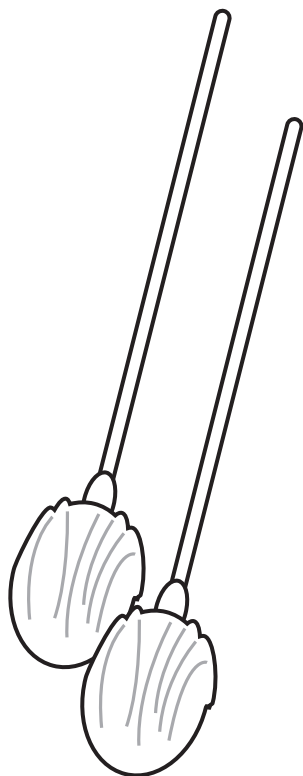

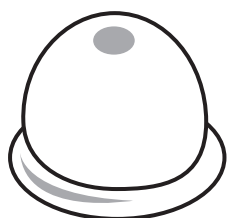

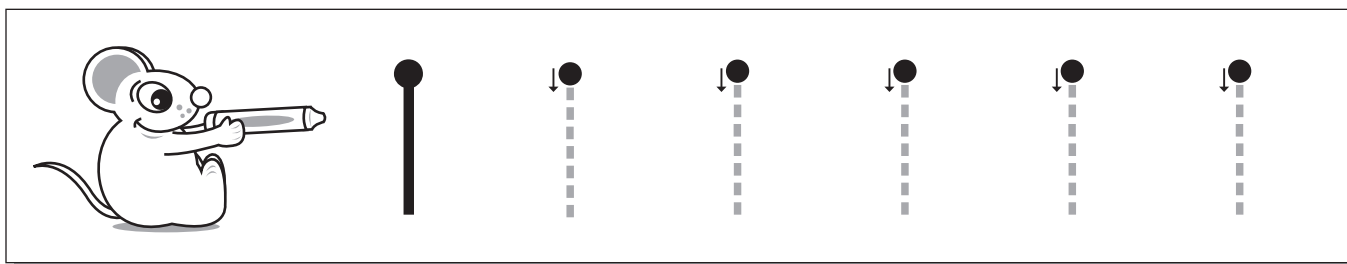

She wears one in the grocery store,
And even when she cleans the floor.

Name _____

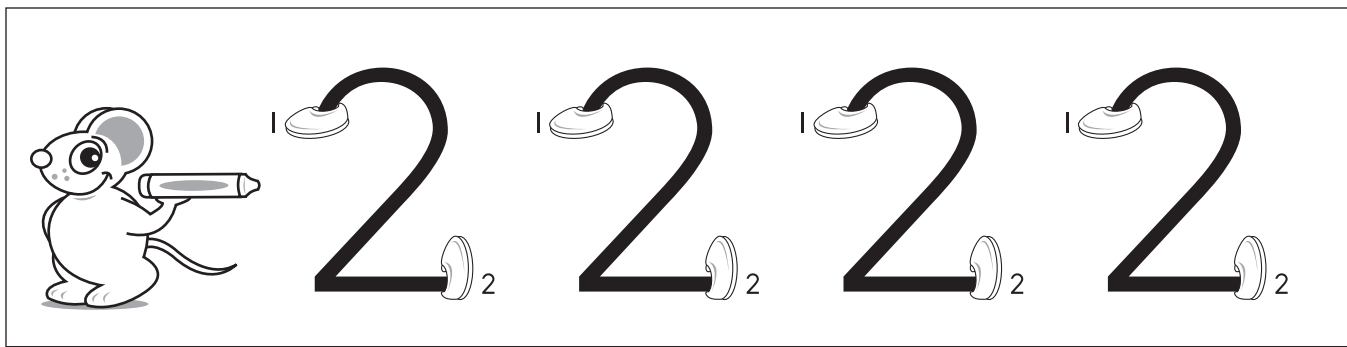

The number one is never found out in town
without her hat. Now think of that!

Name _____

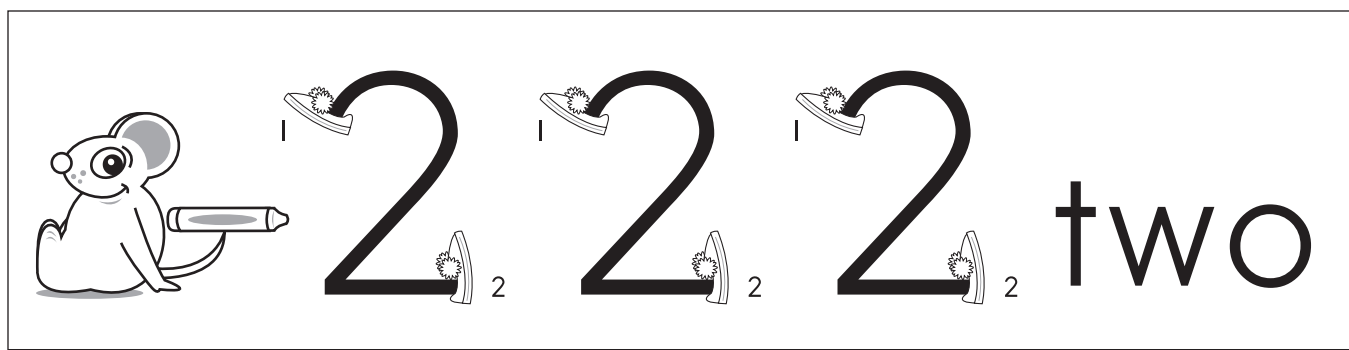

Name _____

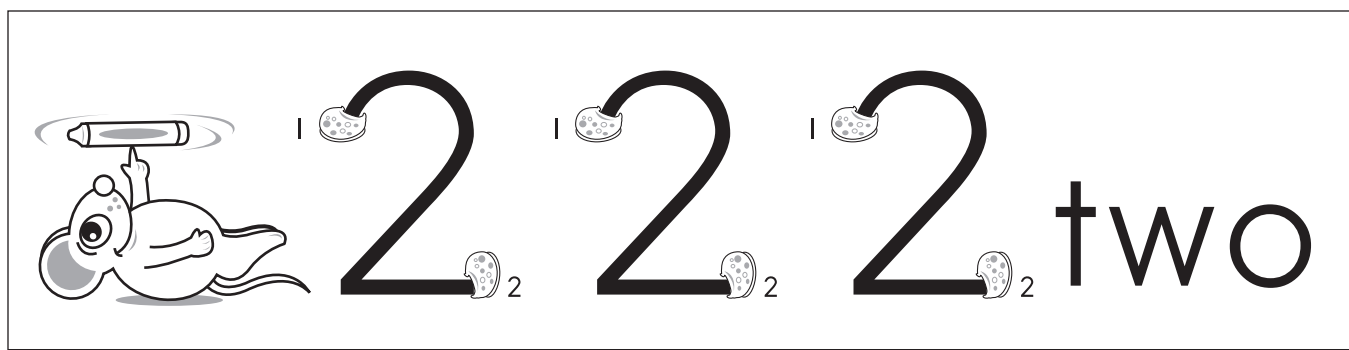

The number two is funny too.
He always wears a pair of shoes.

Name _____

One on his head, one on his tail,
Even when he reads the mail.

Name _____

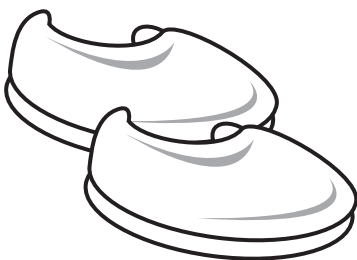

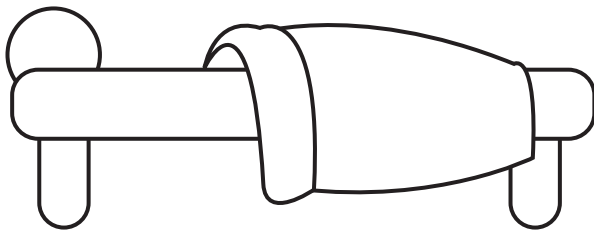

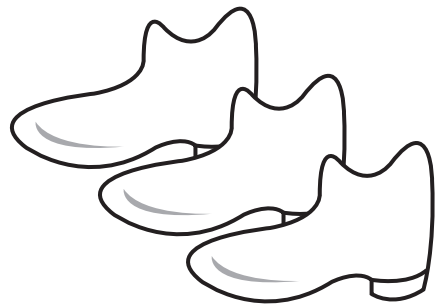

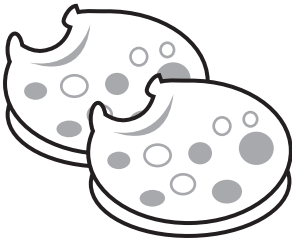

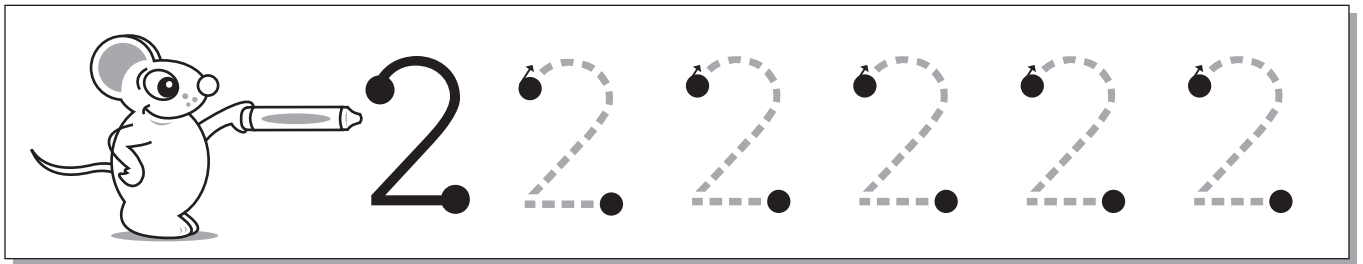

He wears his shoes all shiny bright,
Even when he sleeps at night.

Name _____

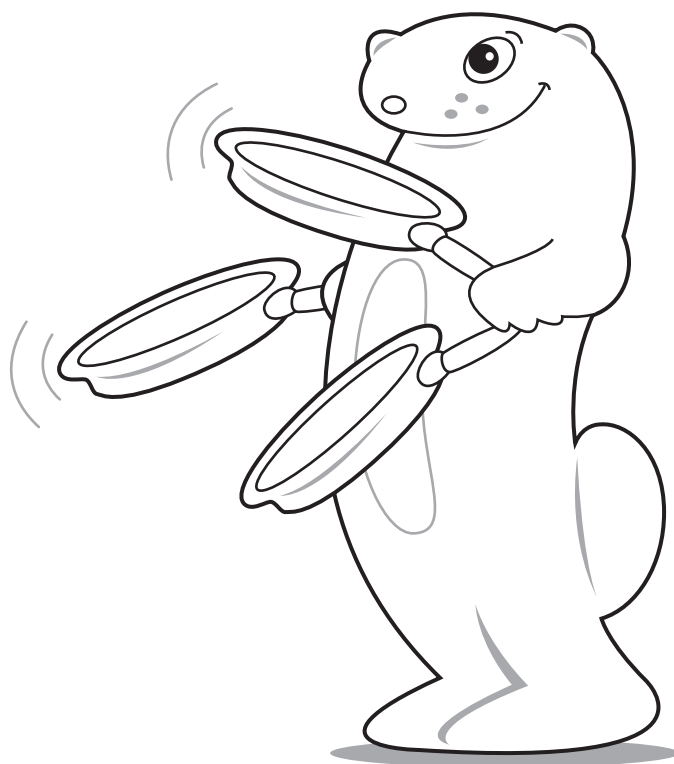

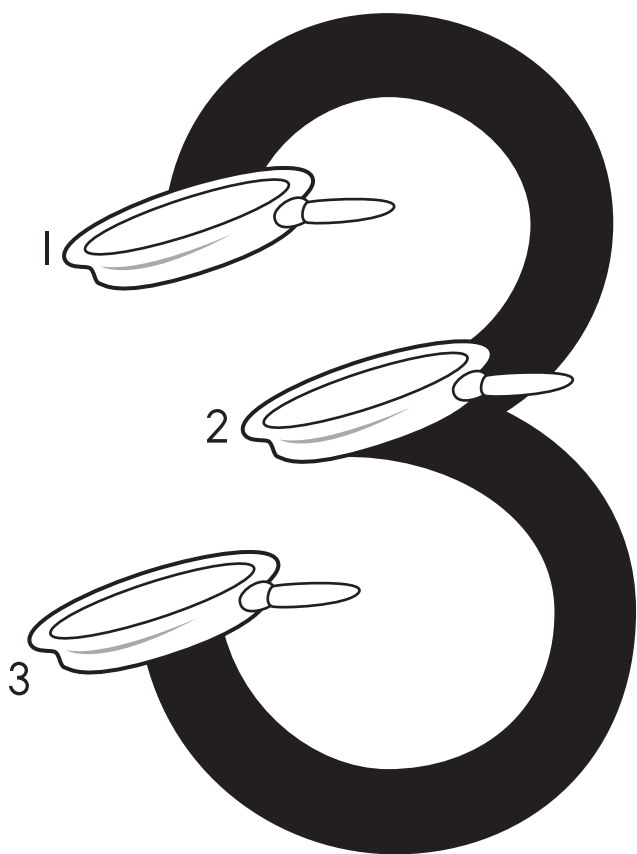

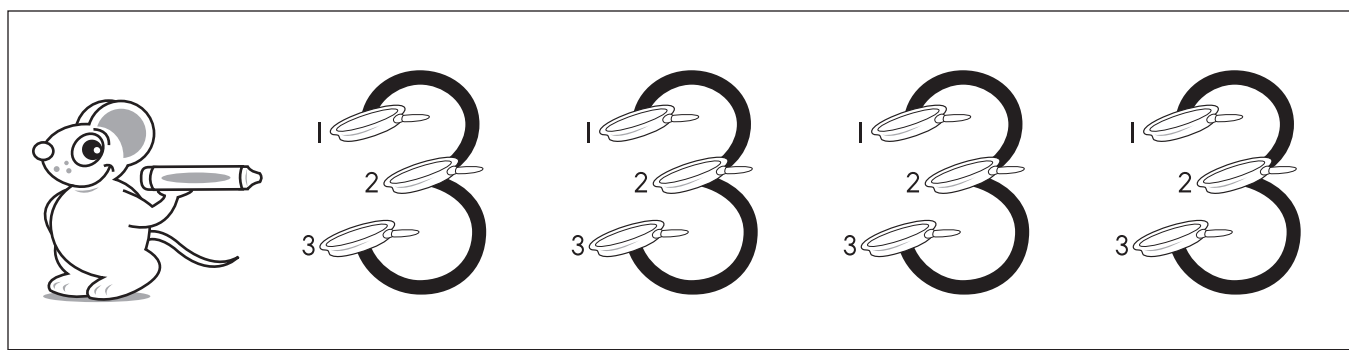

The strangest thing, or so I've read,
Two never walks upon his head!

Name _____

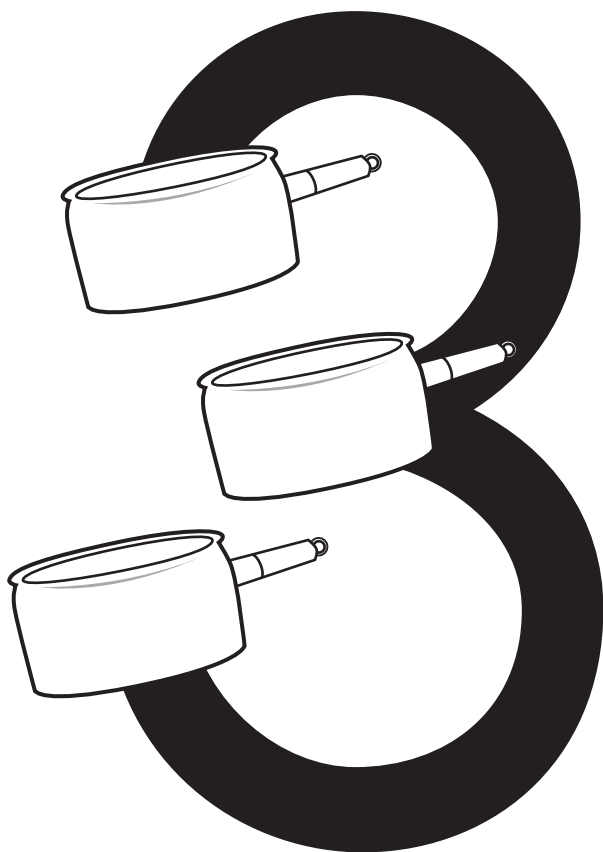

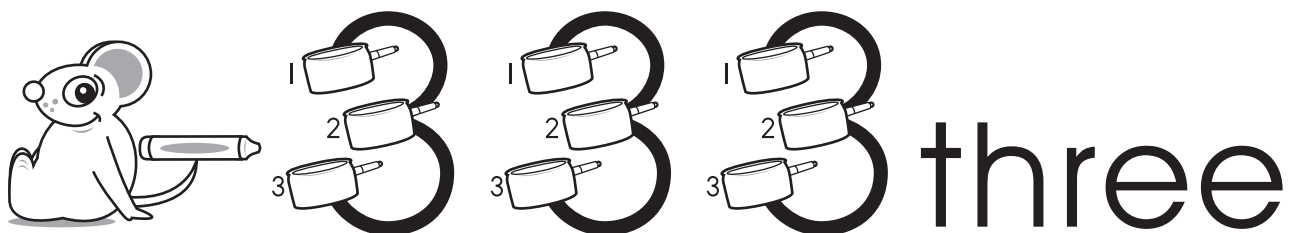

Name _____

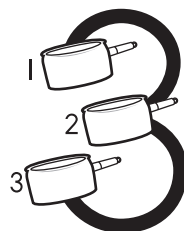

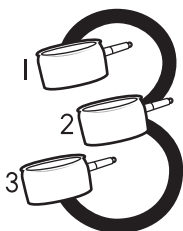

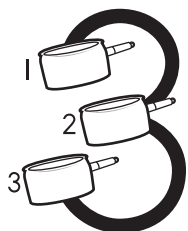

Number three likes pots and pans.
He uses them like little hands.

Name _____

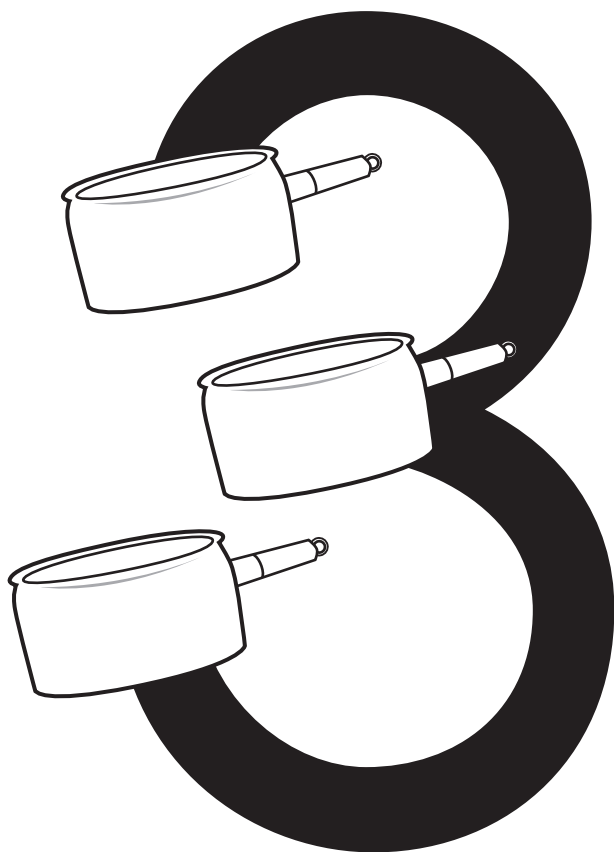

One pan on top, one in the middle,
One at the bottom like a riddle.

Name _____

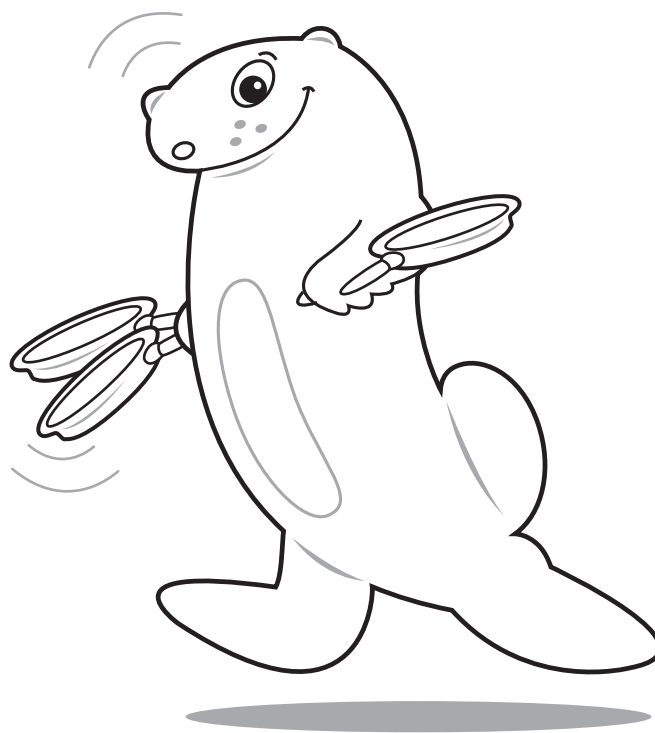

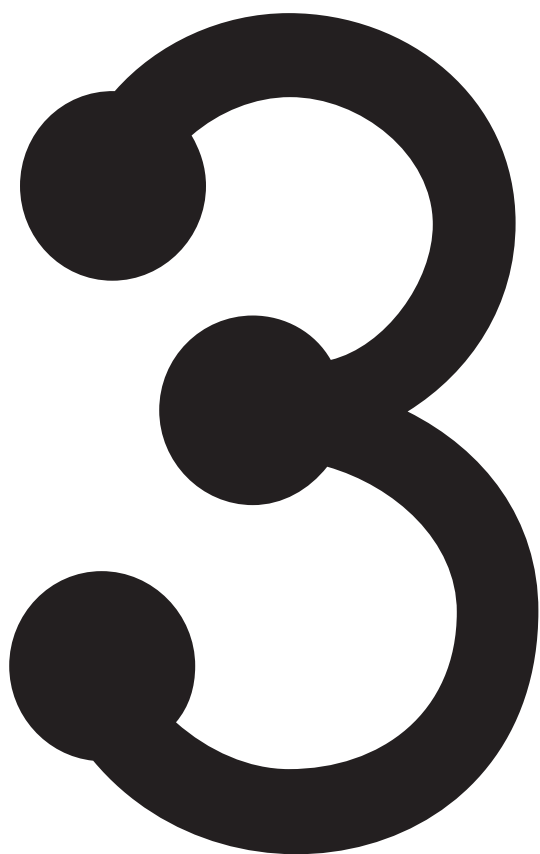

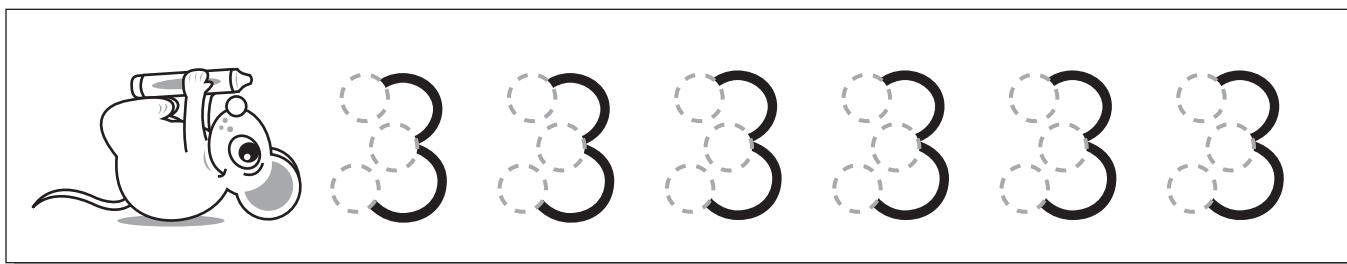

three

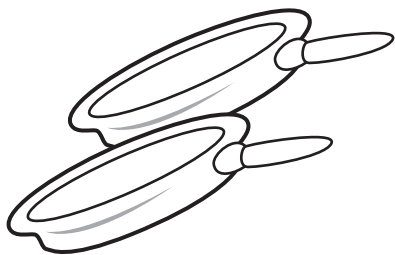

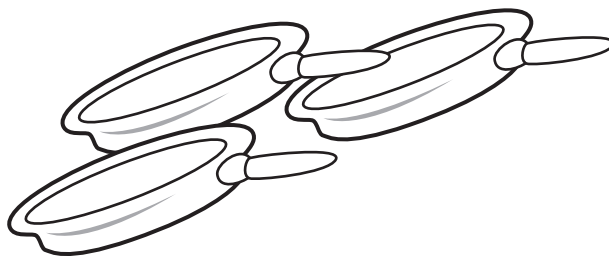

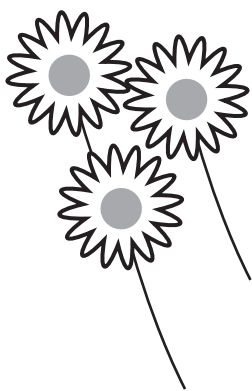

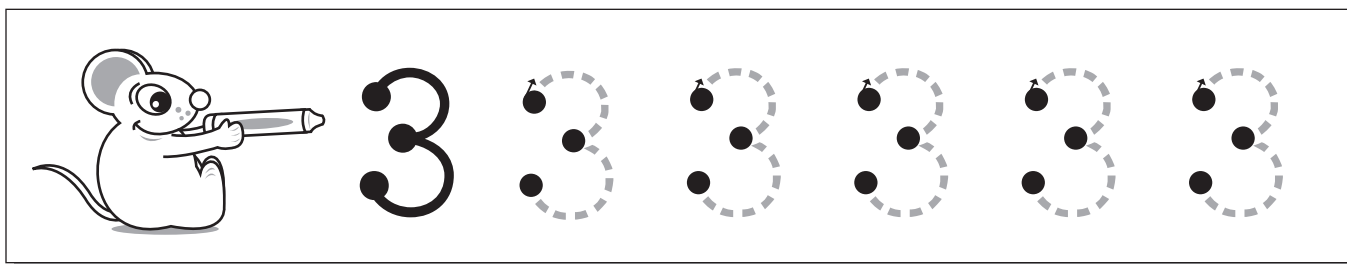

Do you think he cooks all day,
Or wears them when he goes to play?

Name _____

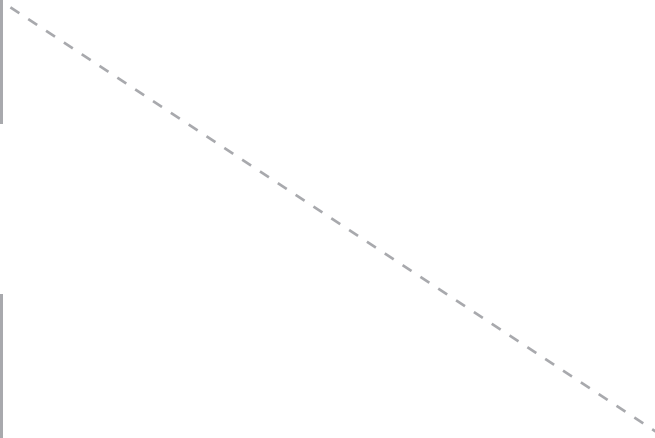

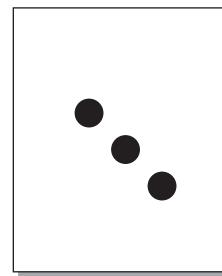

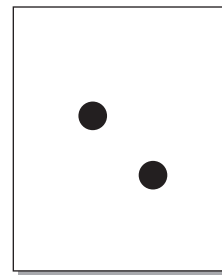

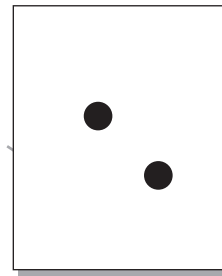

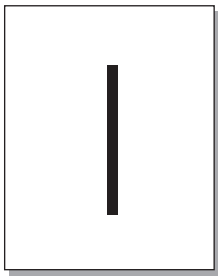

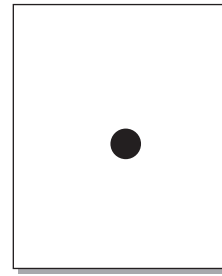

Or does he wear them 'cause it's fun
To hear them clanking when he runs?

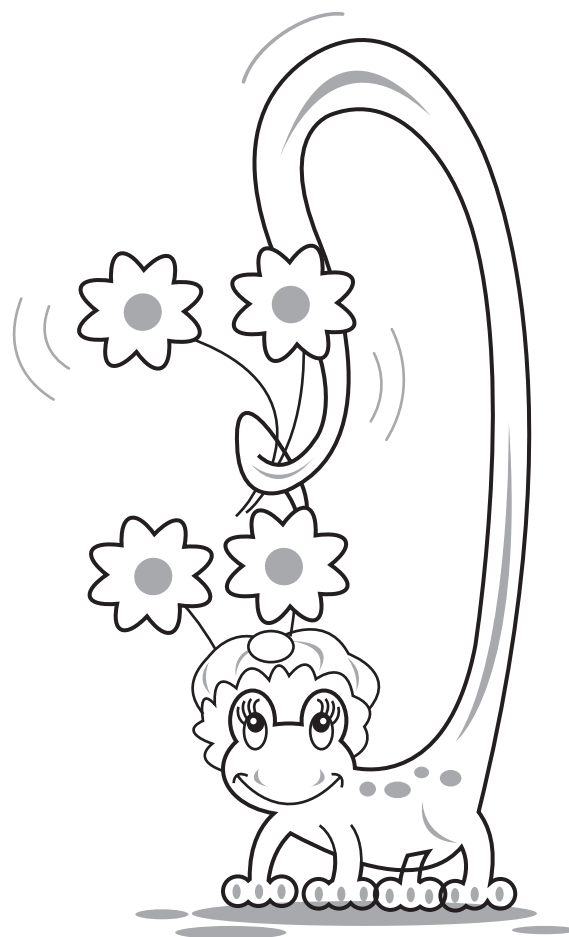

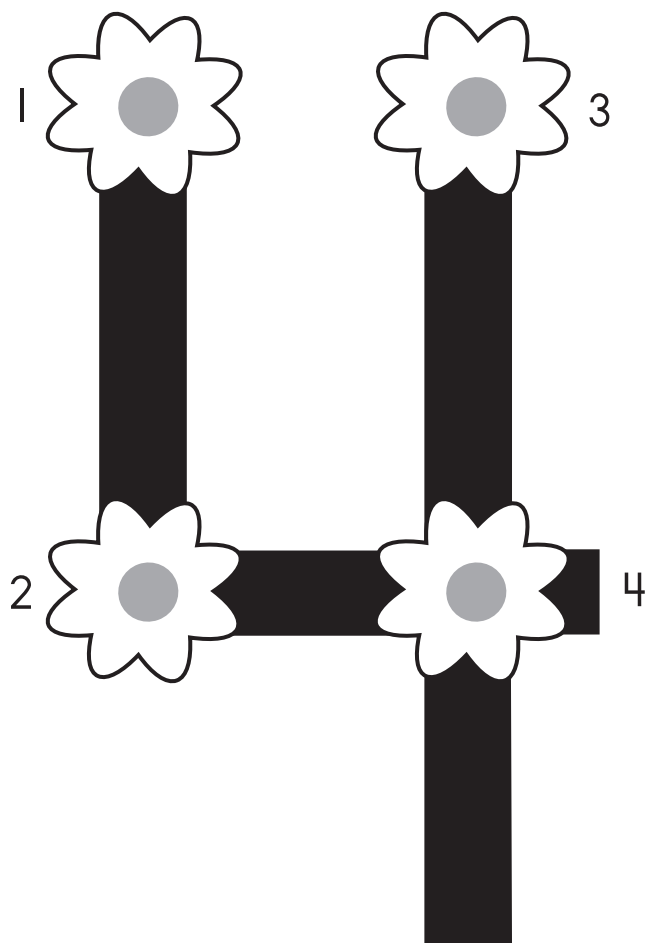

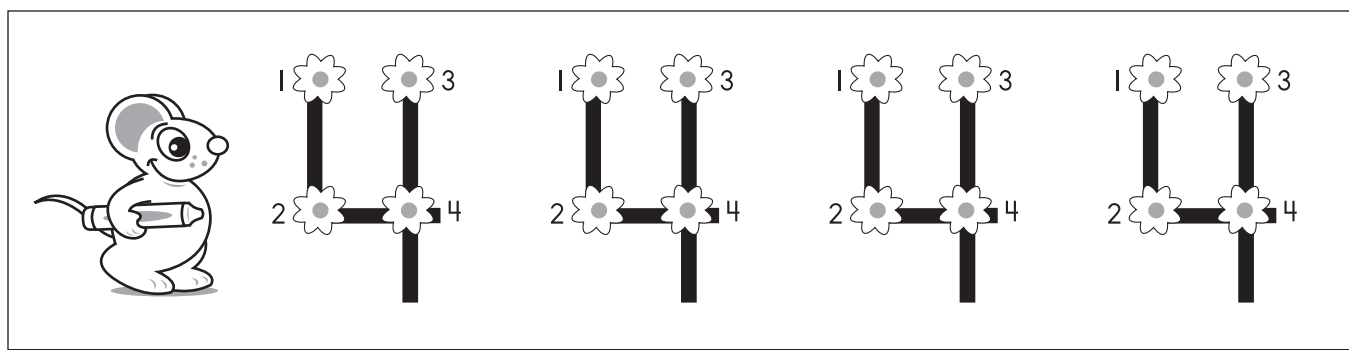

Name _____

Name _____

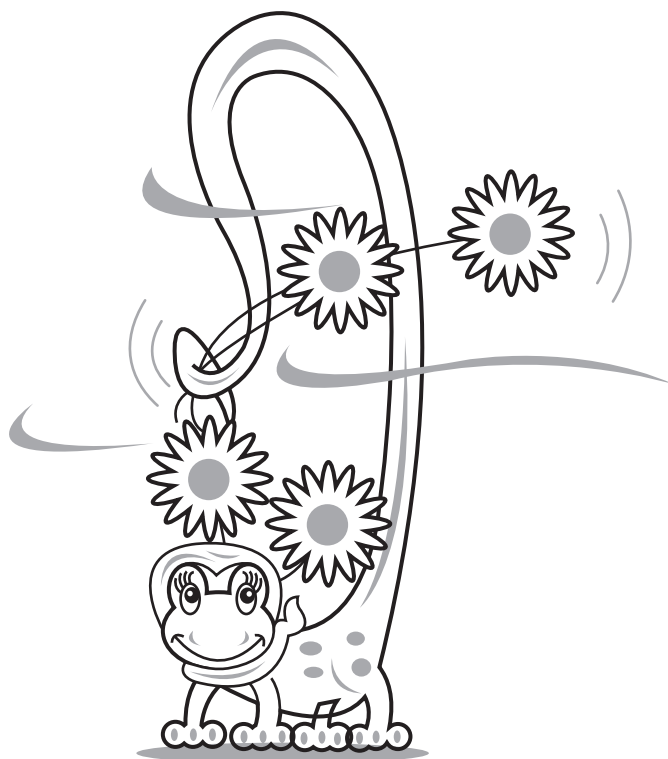

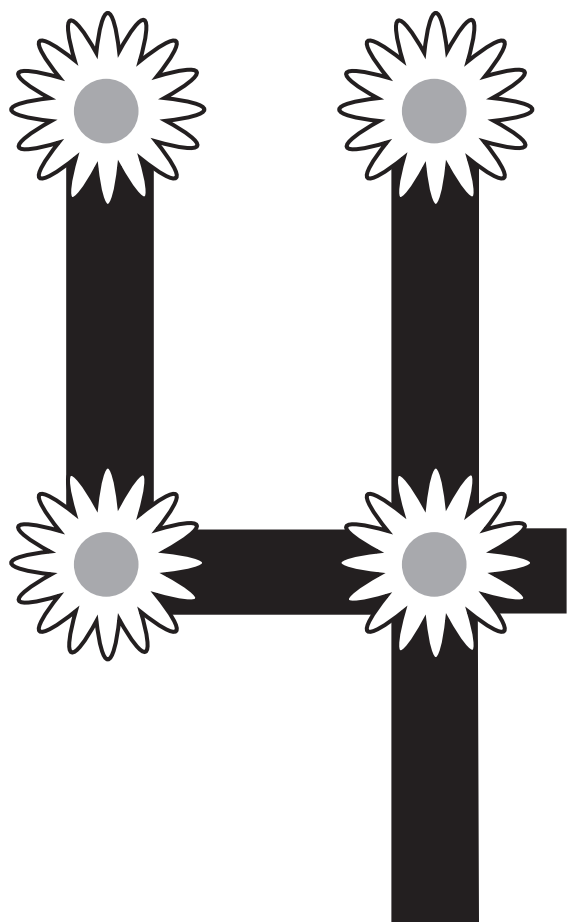

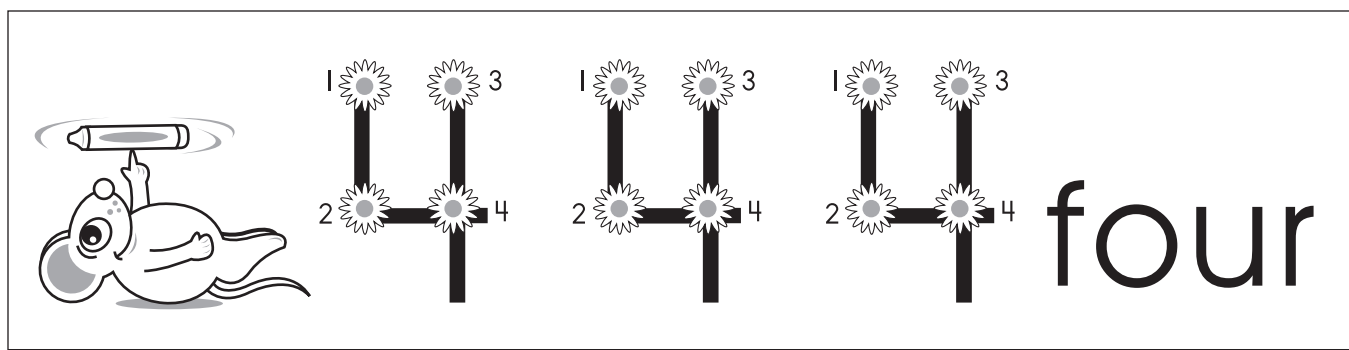

Name _____

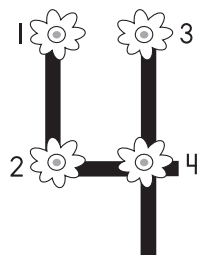

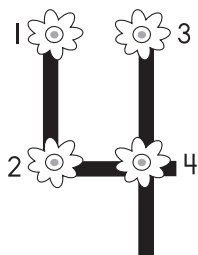

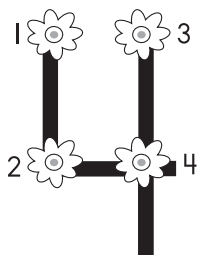

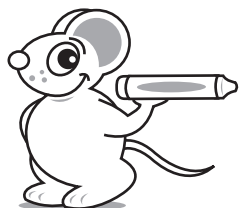

The number four wears little flowers
Even when she takes a shower.

Name _____

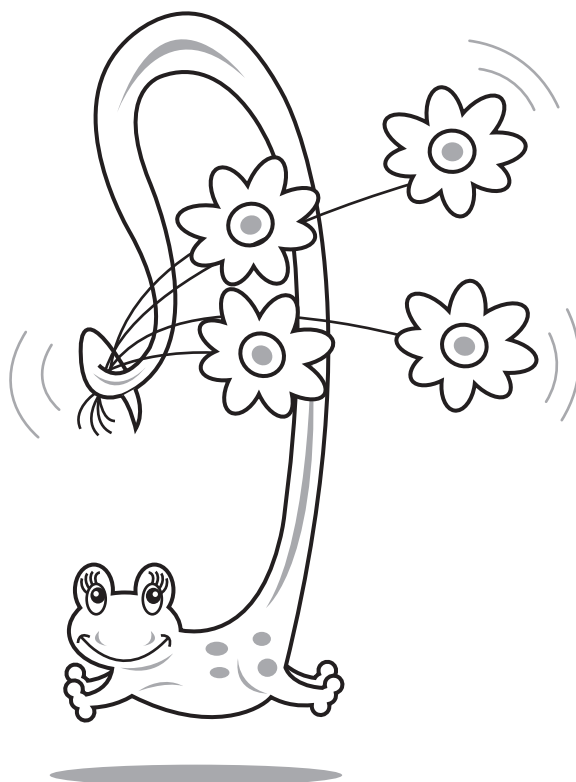

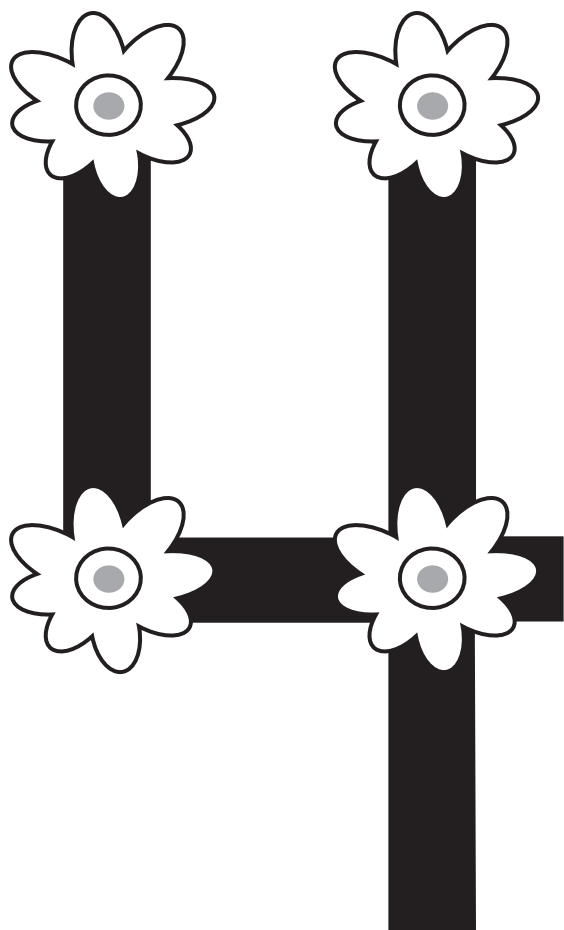

She has fun standing in the breeze
And making other people sneeze.

Name _____

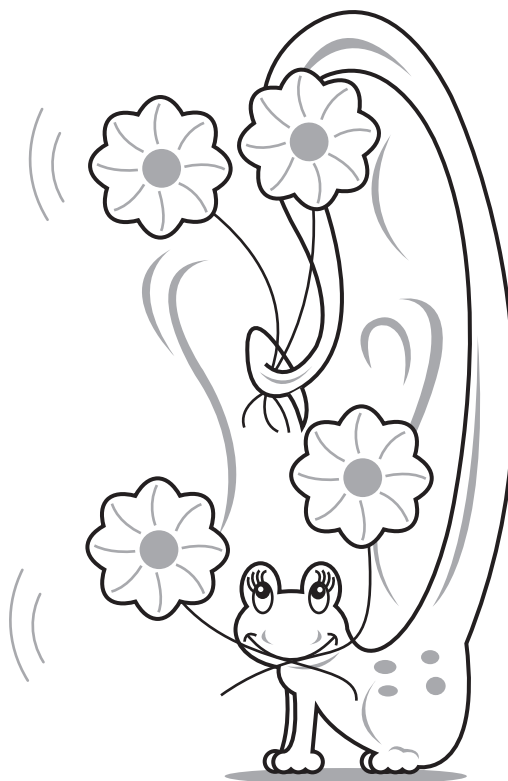

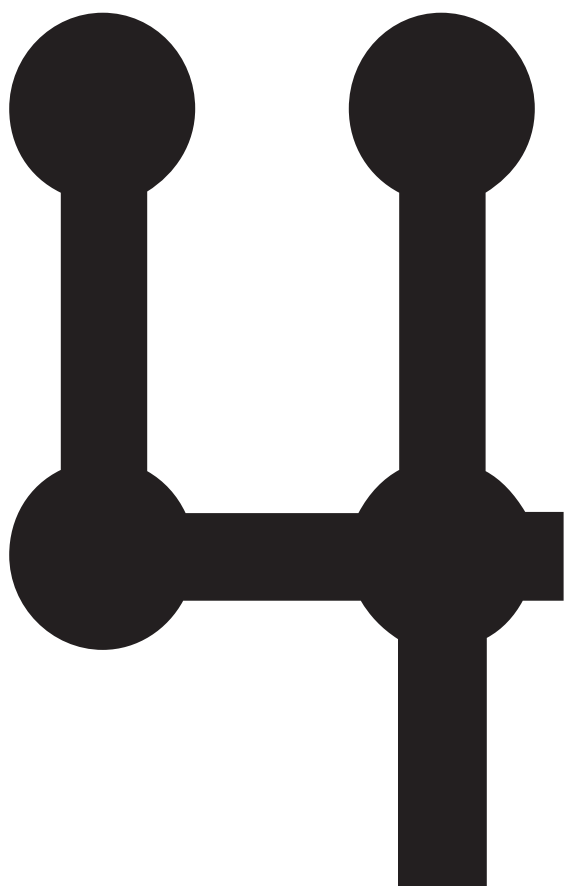

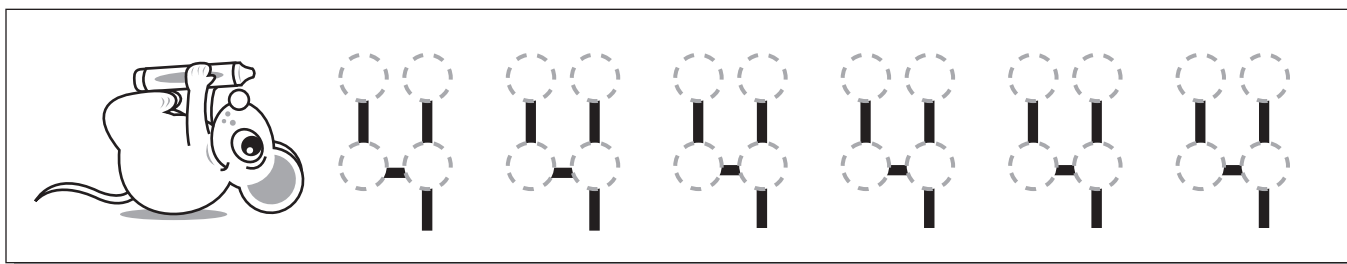

four

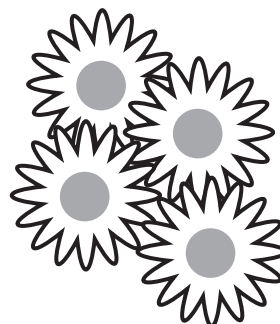

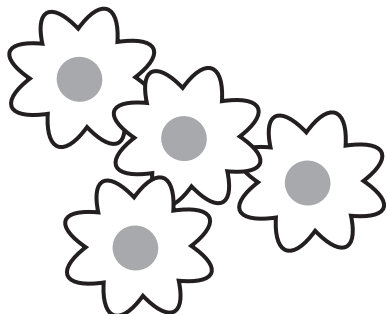

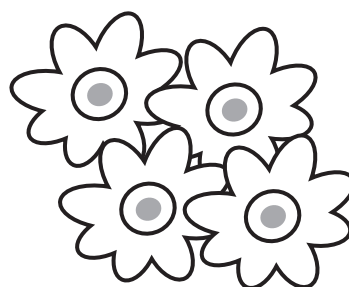

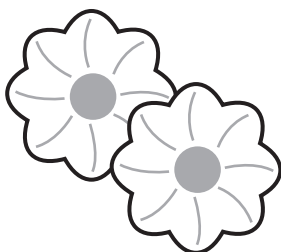

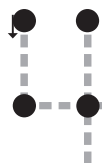

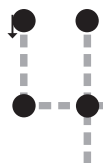

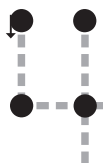

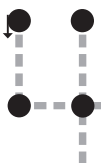

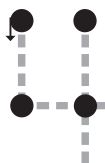

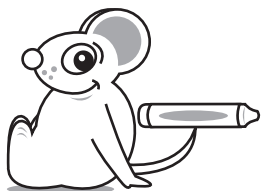

She's always playing and having fun.
It's fun to watch her jump and run!

Name _____

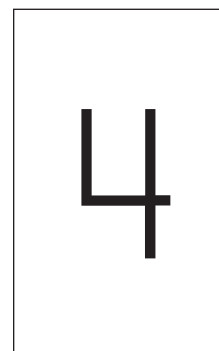

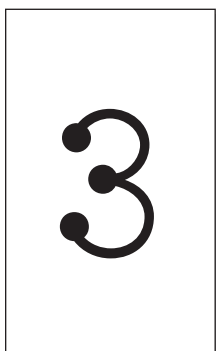

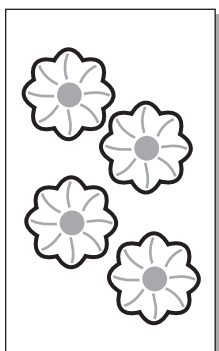

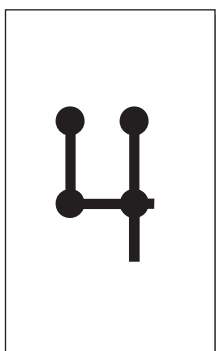

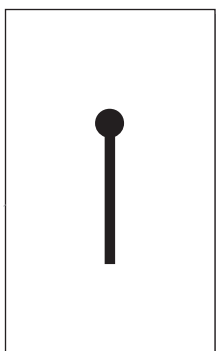

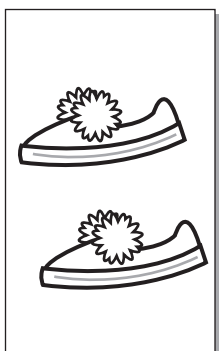

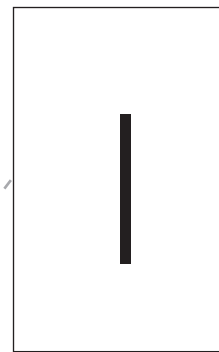

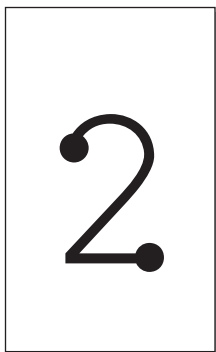

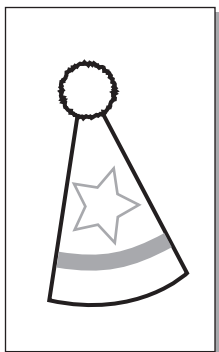

I'd like to play with her, I would.
Just because she smells so good!

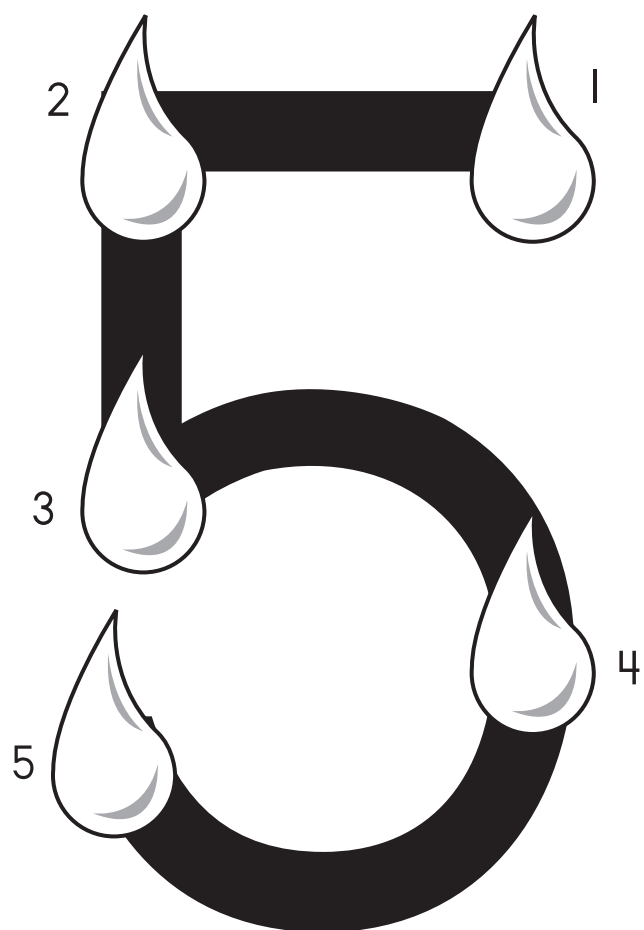

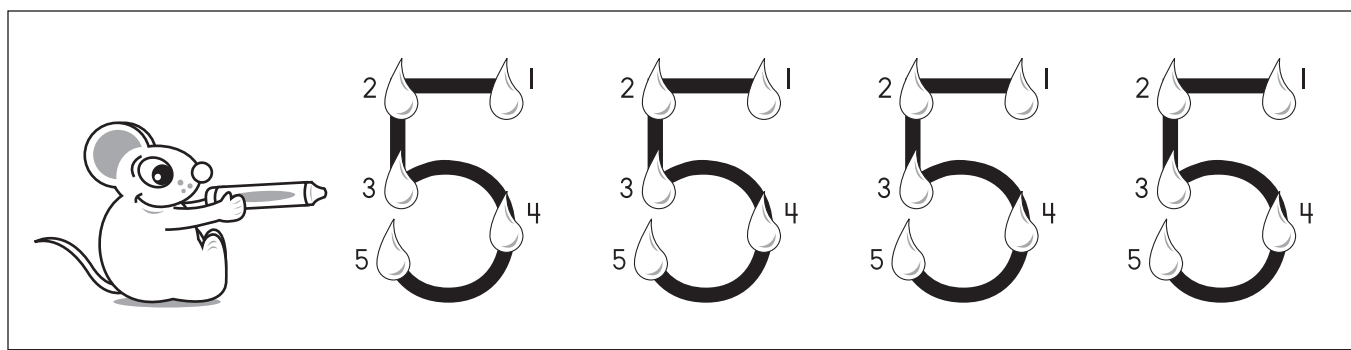

Name _____

Name _____

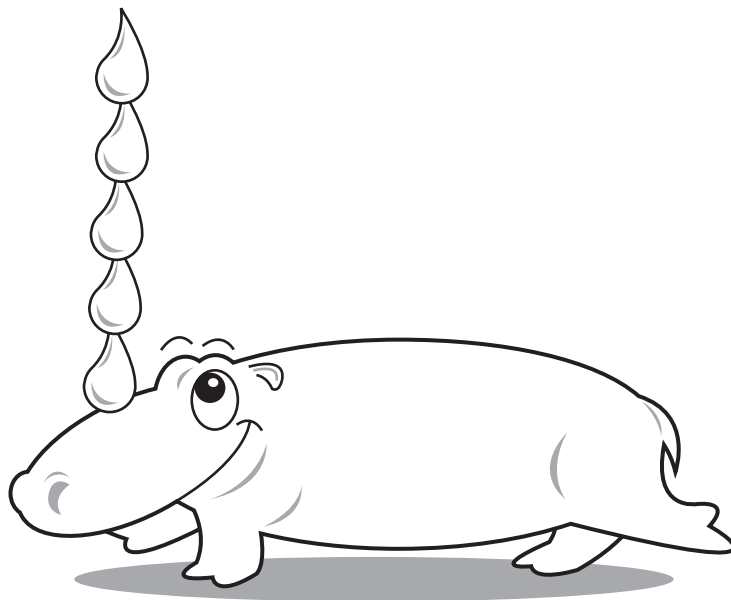

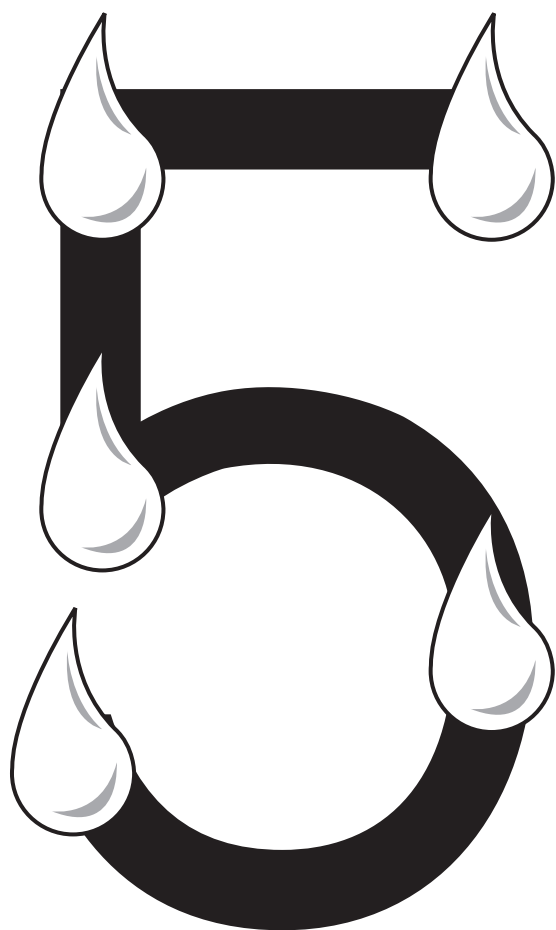

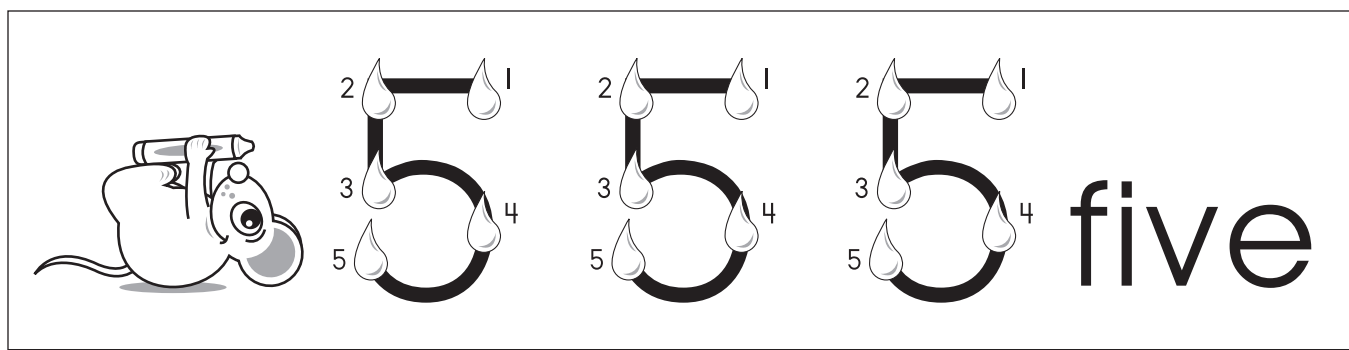

Name _____

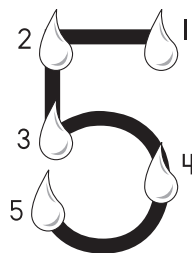

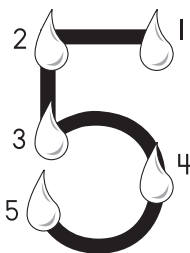

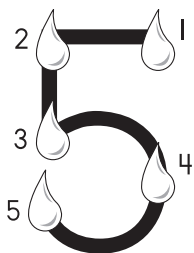

The number five's a funny fellow.
He wiggles like a bowl of Jello!

Name _____

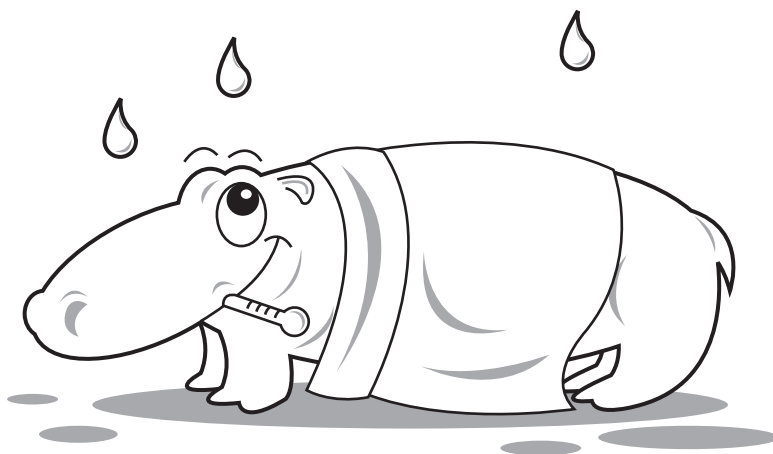

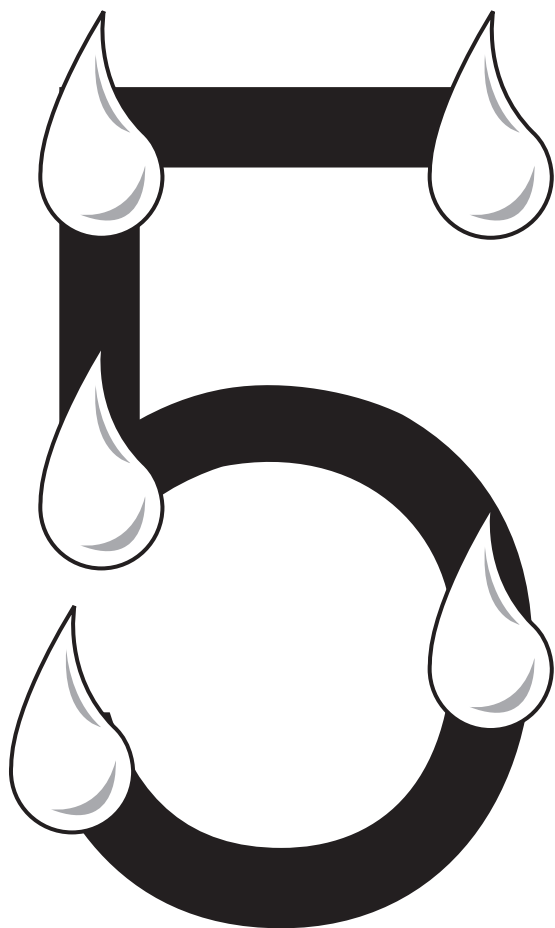

He has five raindrops that he wears.
I think they look like little pears.

Name _____

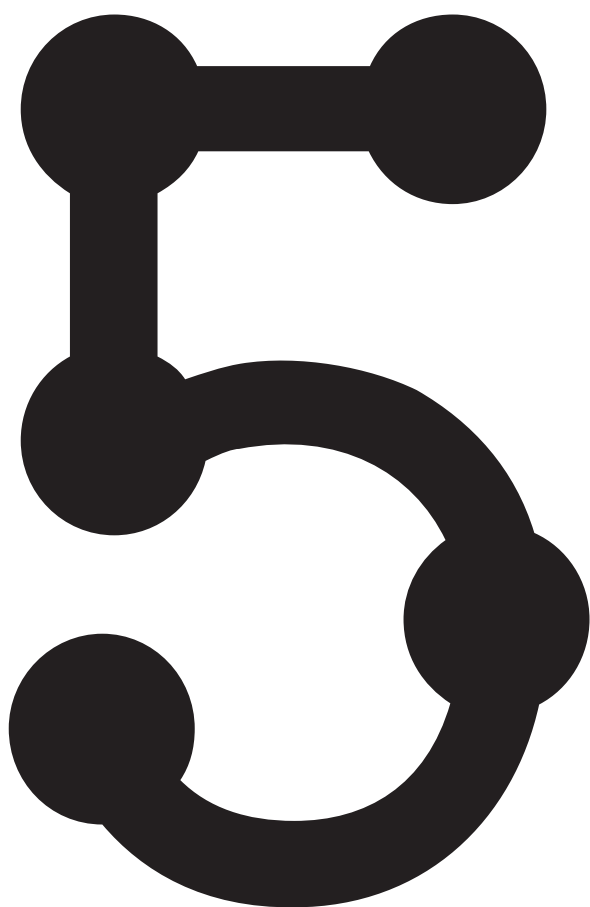

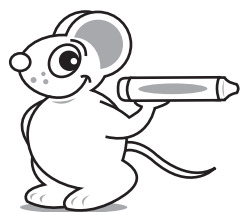

five

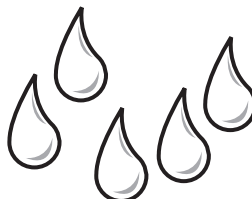

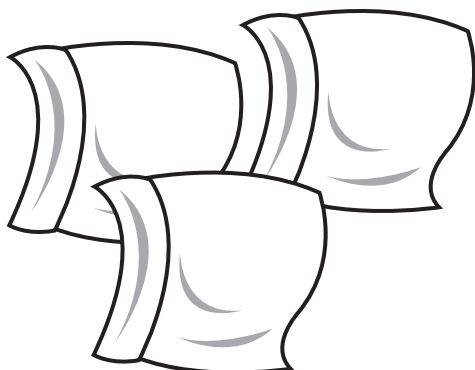

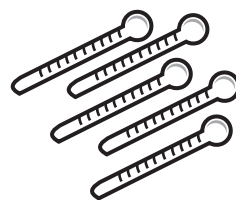

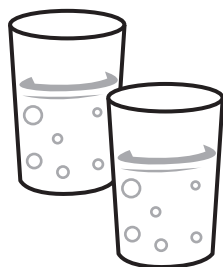

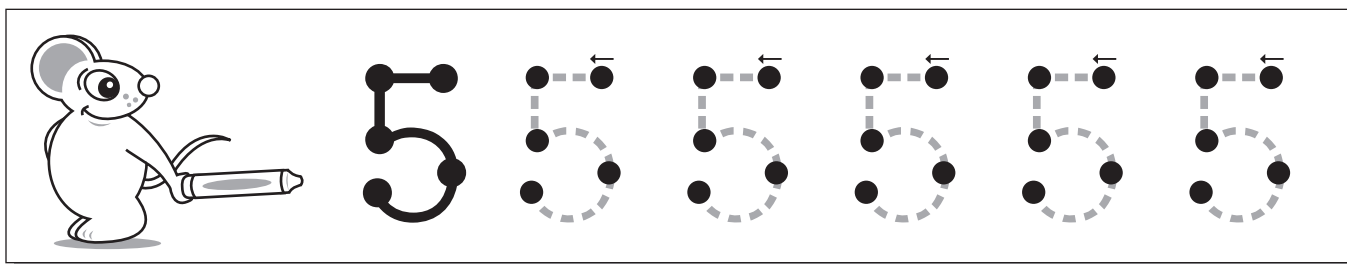

I wonder if he's always wet.
He catches lots of colds, I bet.

Name _____

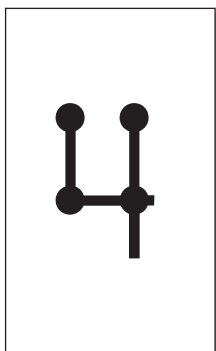

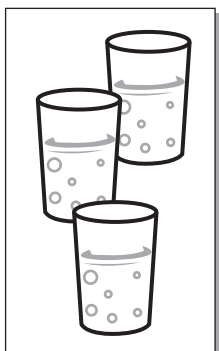

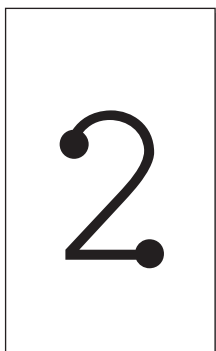

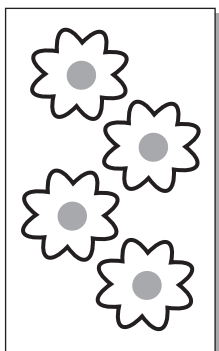

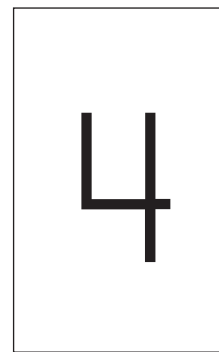

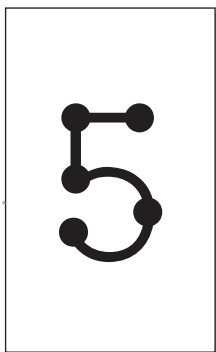

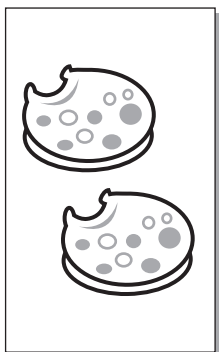

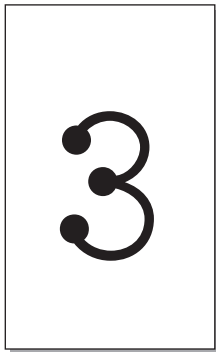

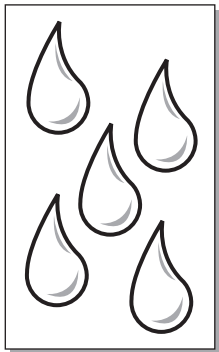

He'd better stay away, I think,
If someone needs a nice cold drink.

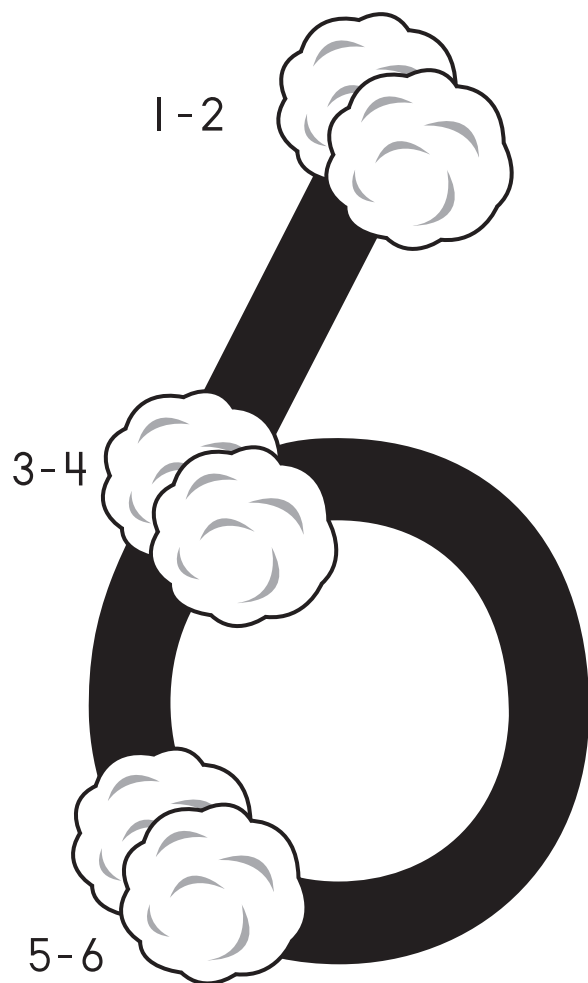

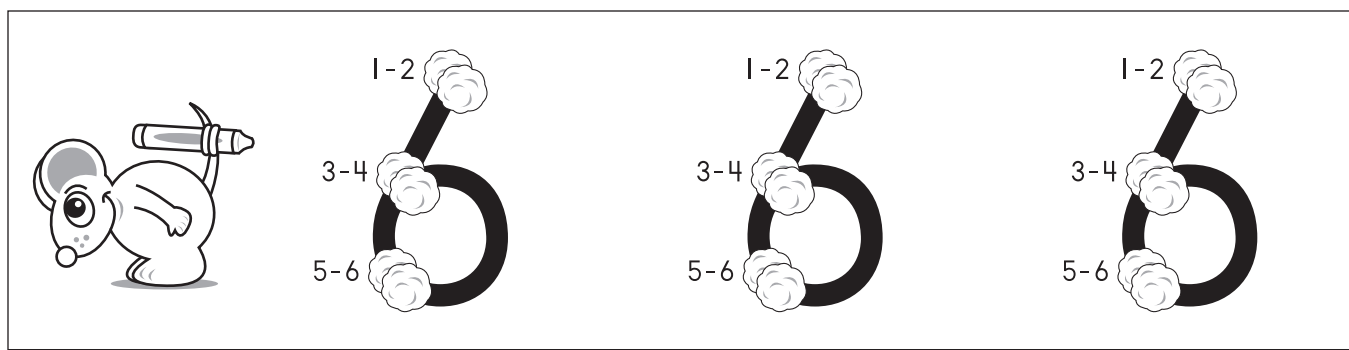

Name _____

Name _____

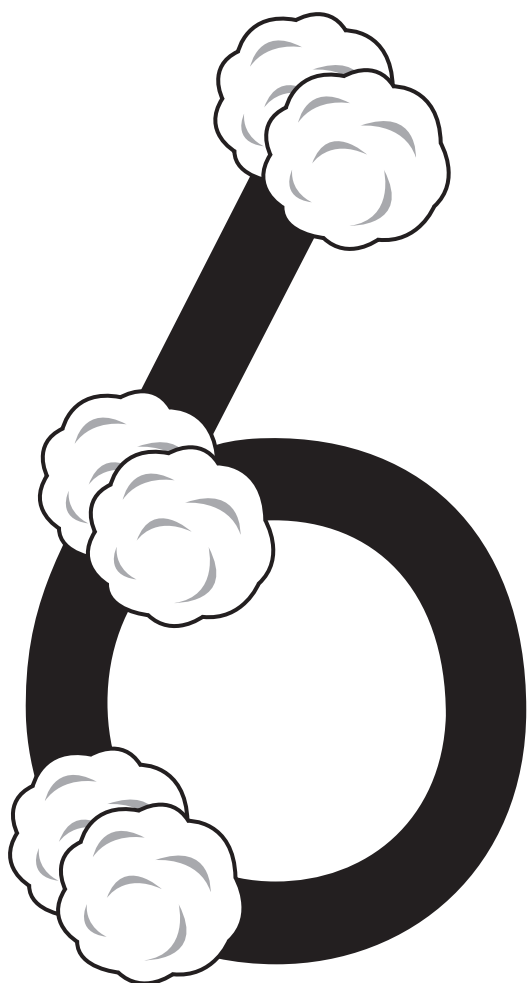

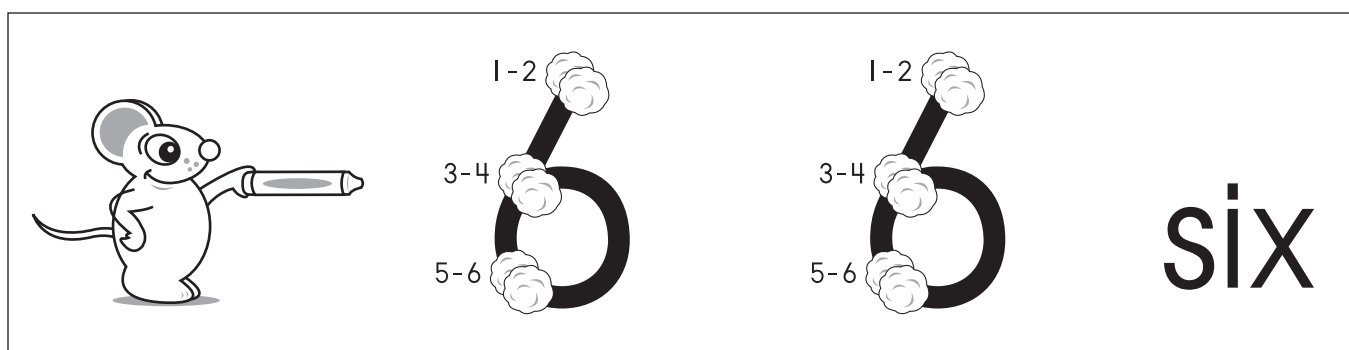

Name _____

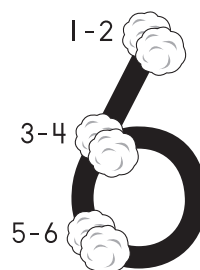

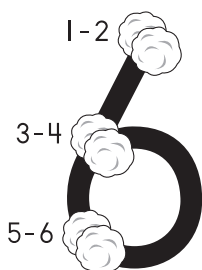

Number six wears snowy balls.
They make him look like Santa Claus.

Name _____

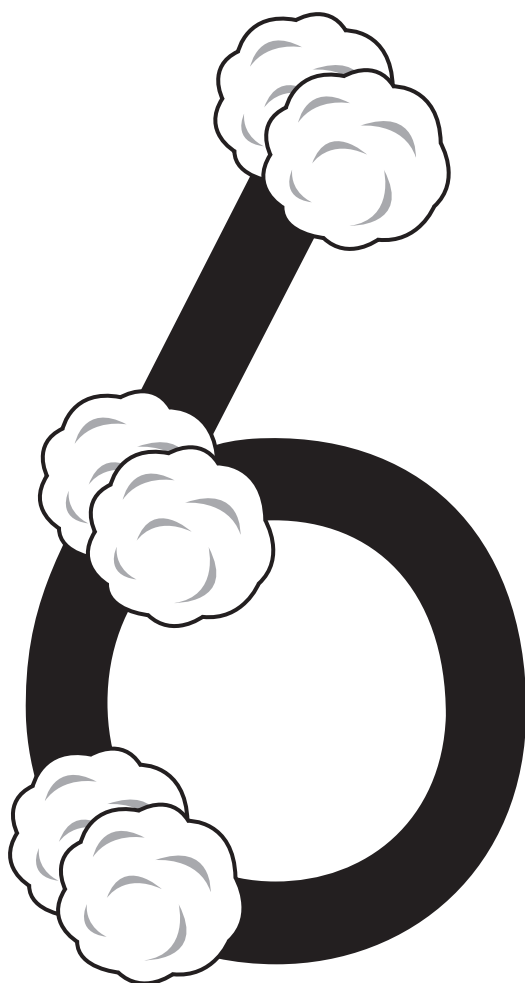

But if he throws them in the winter,
He'll sure wind up a whole lot thinner.

Name _____

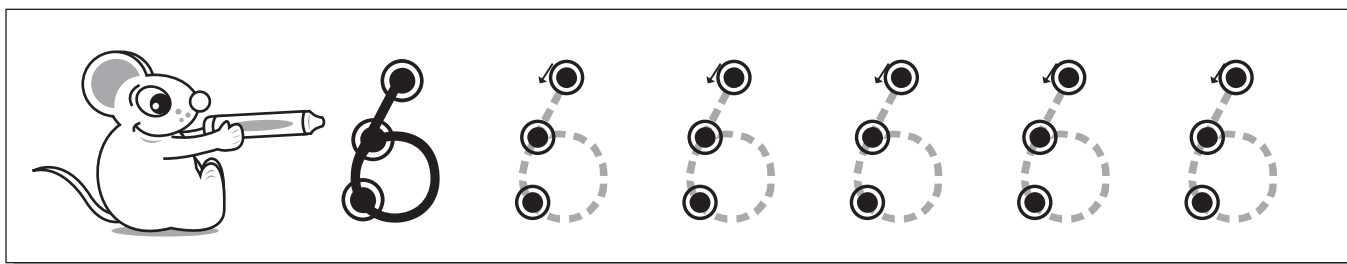

six

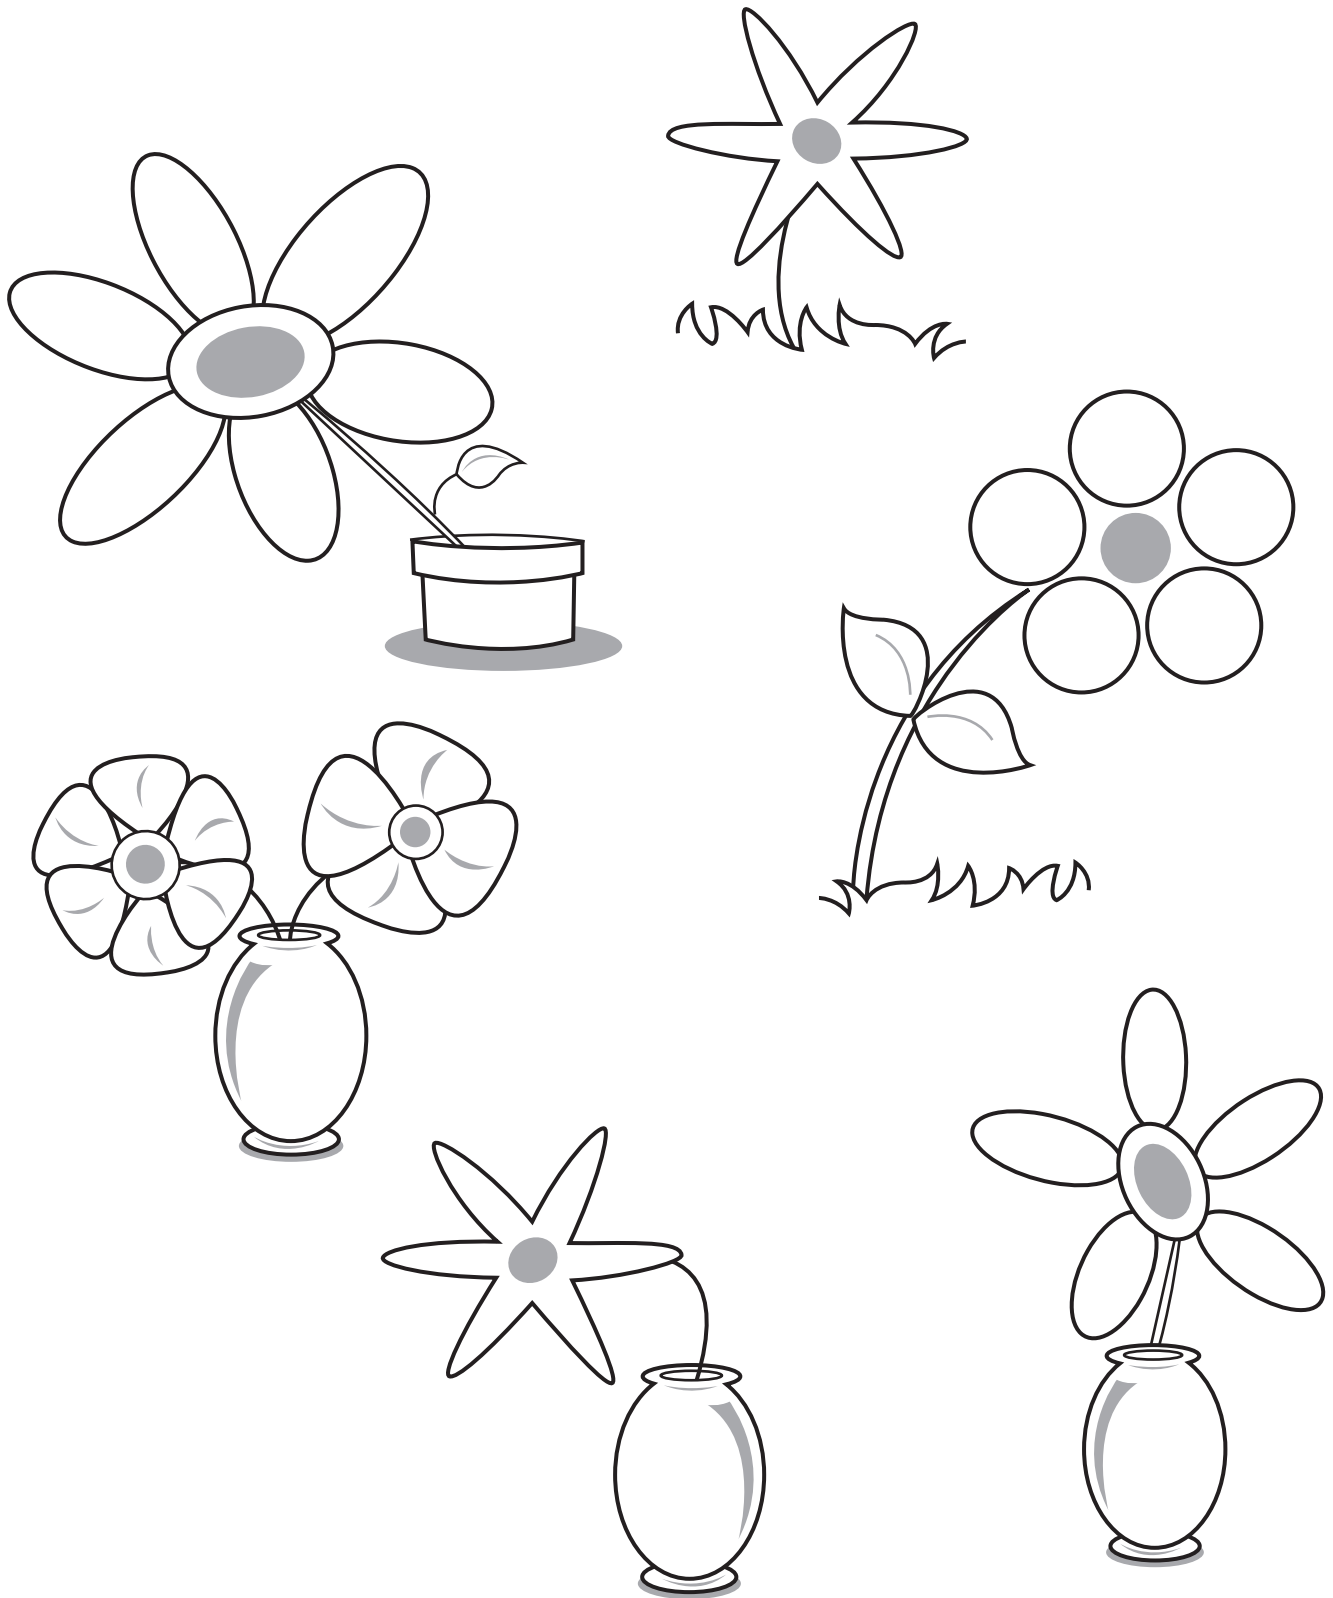

Or if they melt off in the sun,
It wouldn't be a lot of fun.

Name _____

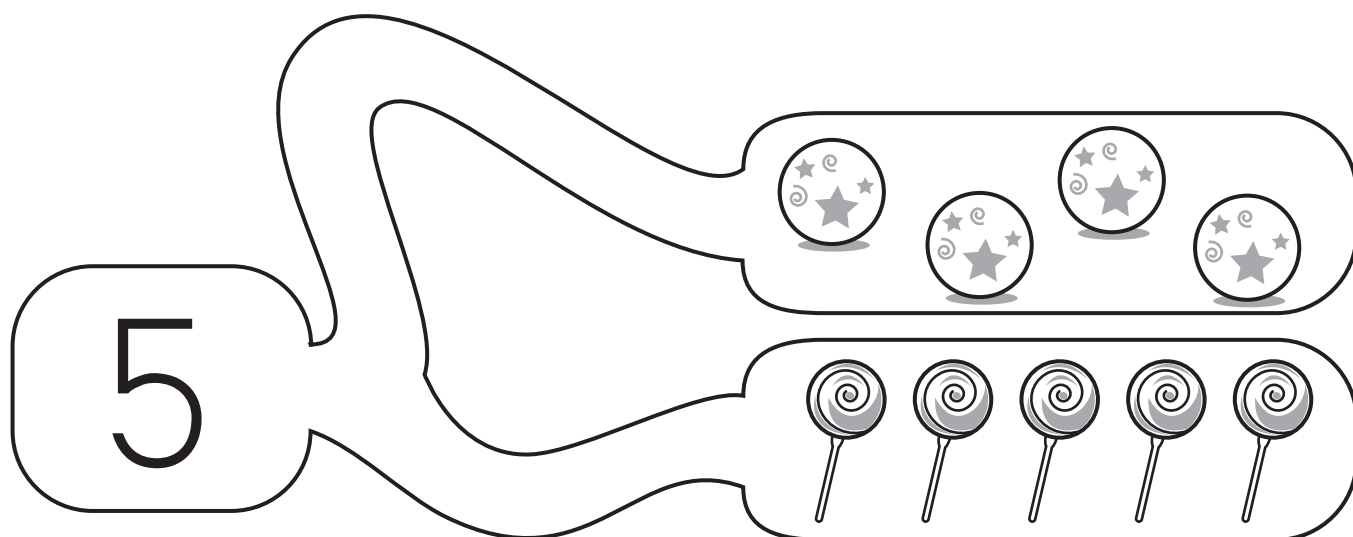

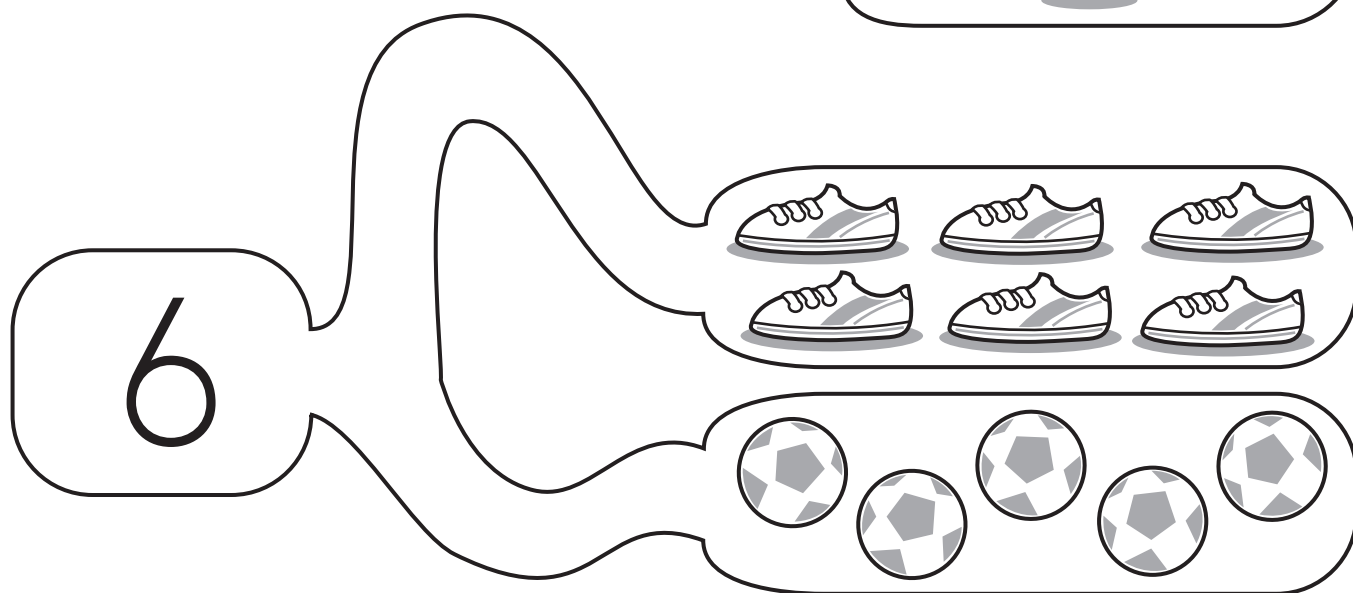

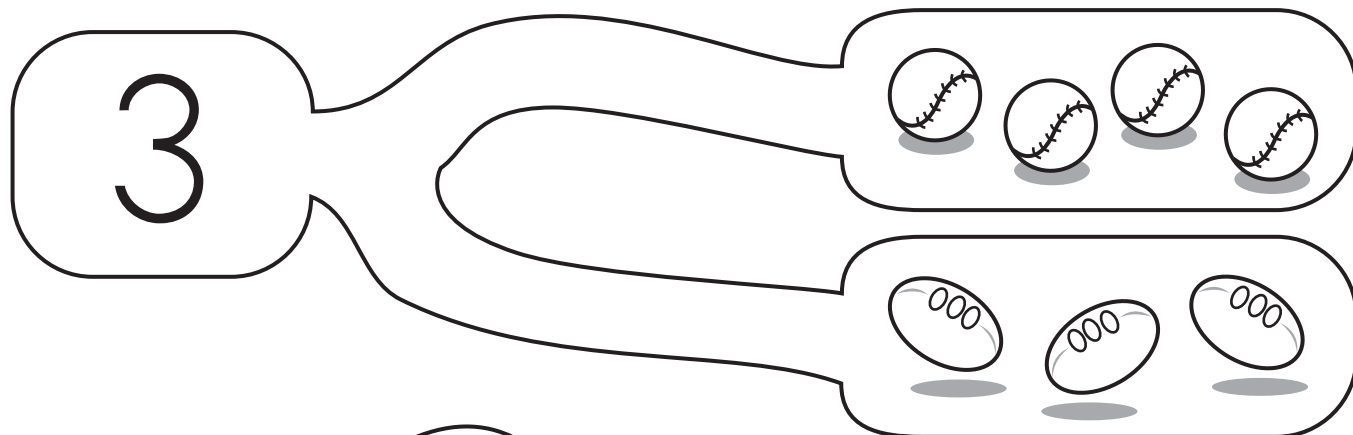

He needs to think with care, I'd say,
So his snowy balls don't go away.

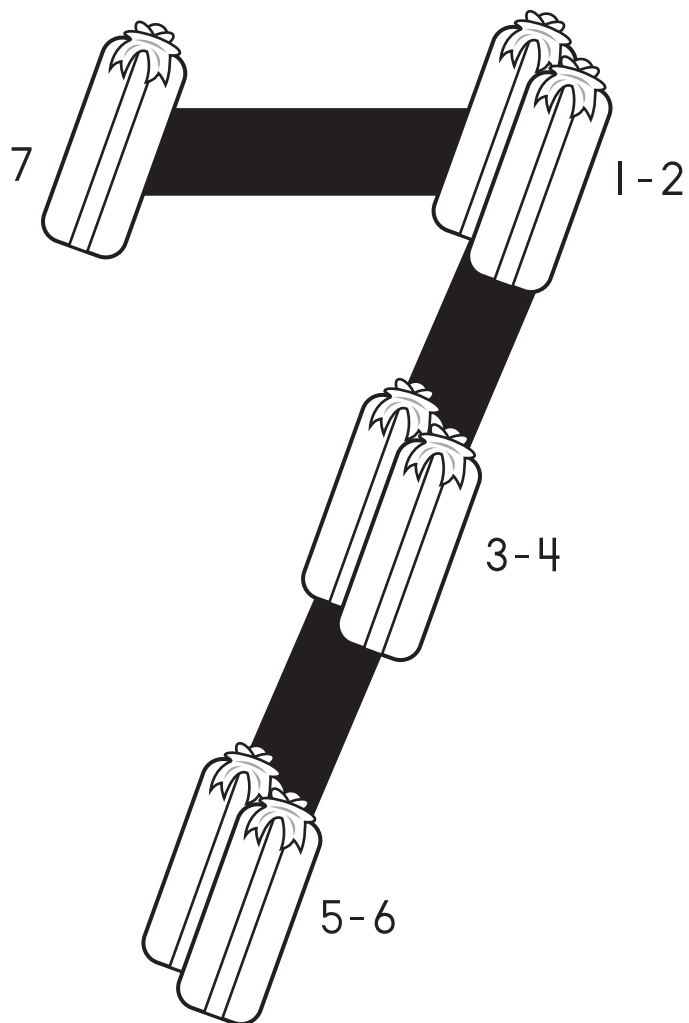

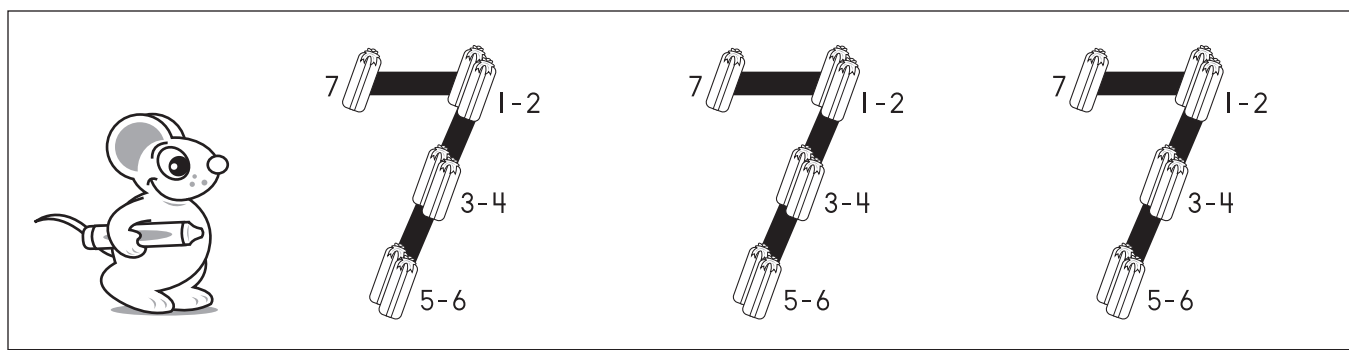

Name _____

Name _____

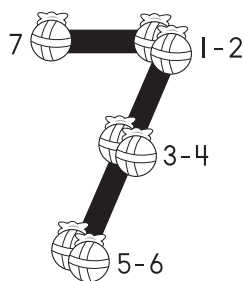

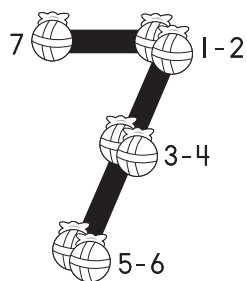

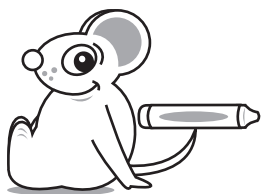

Name _____

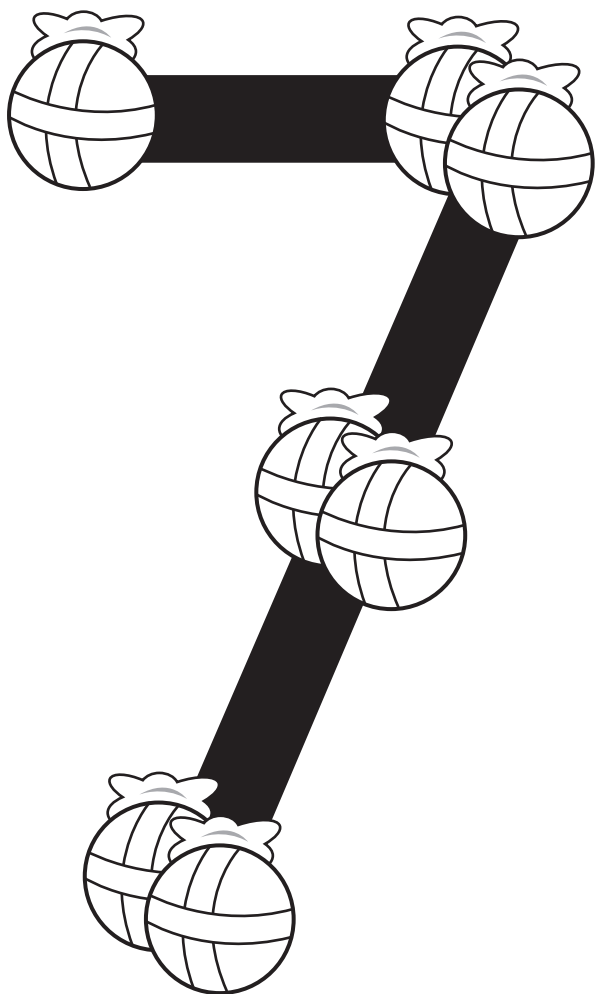

Mister seven keeps on track
By wearing presents on his back.

Name _____

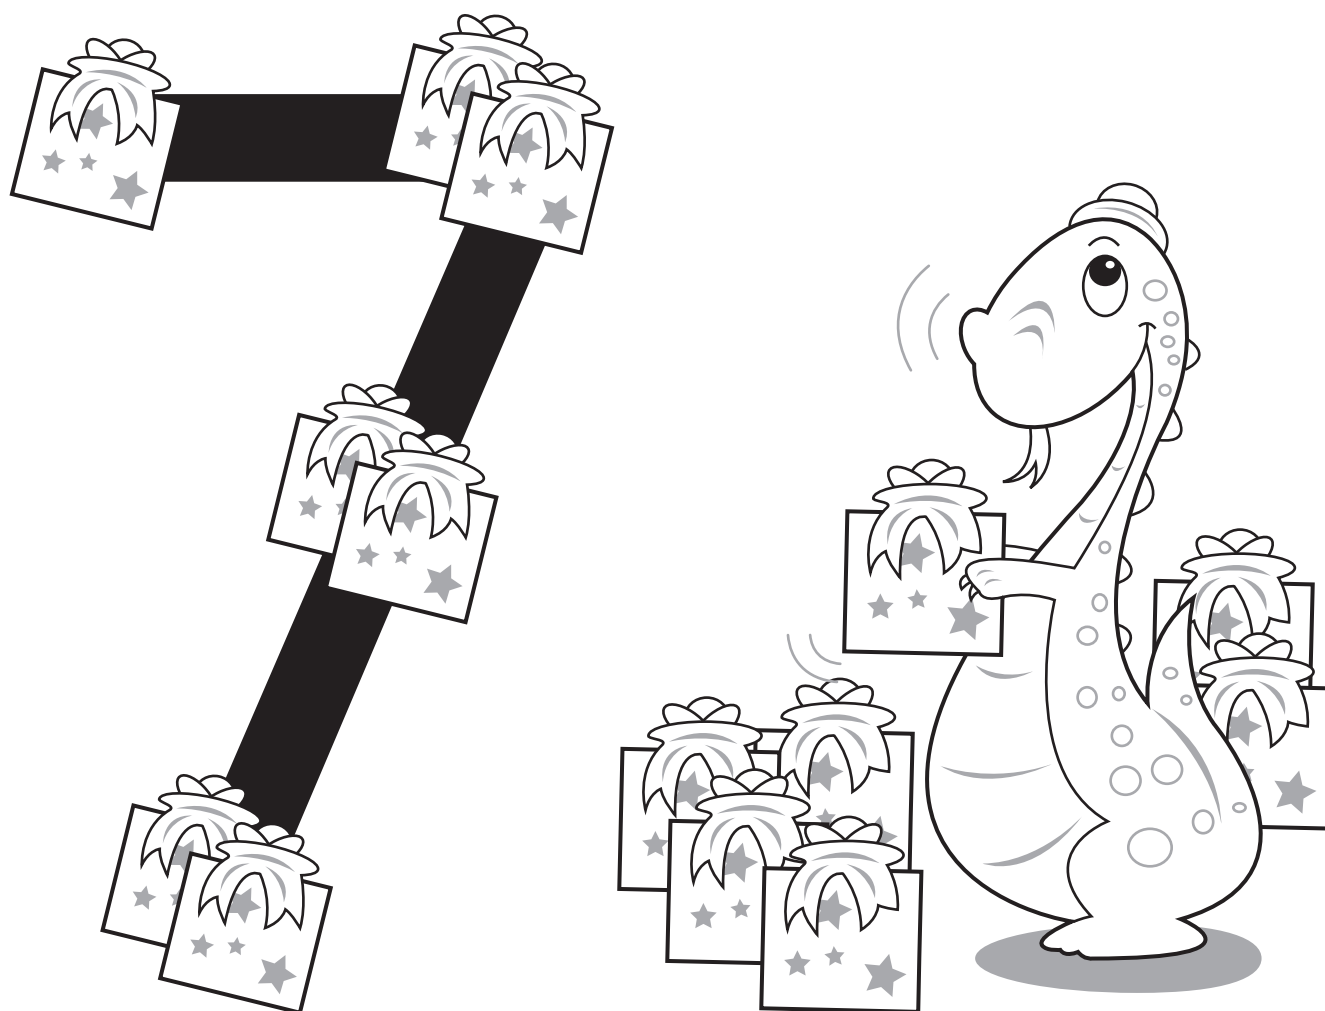

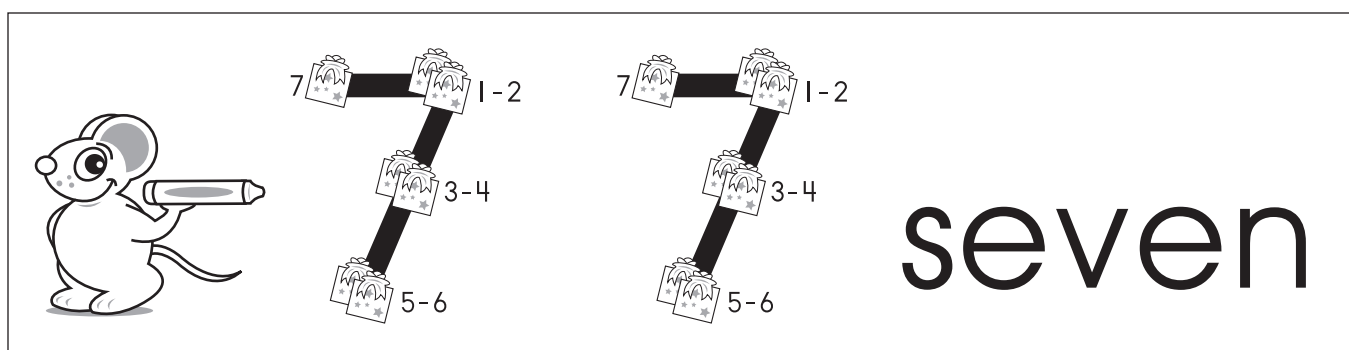

seven

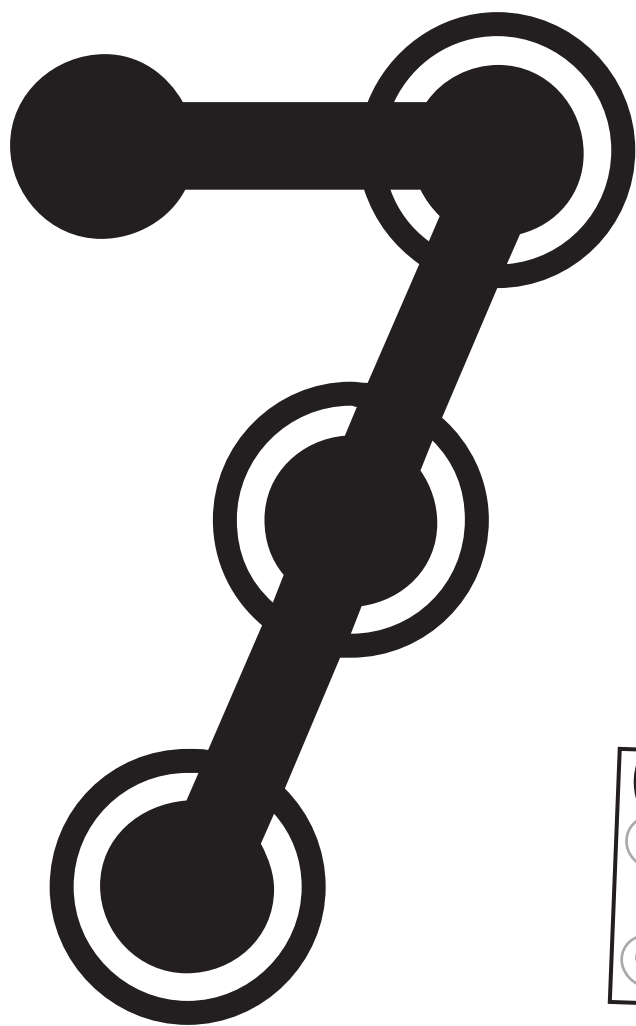

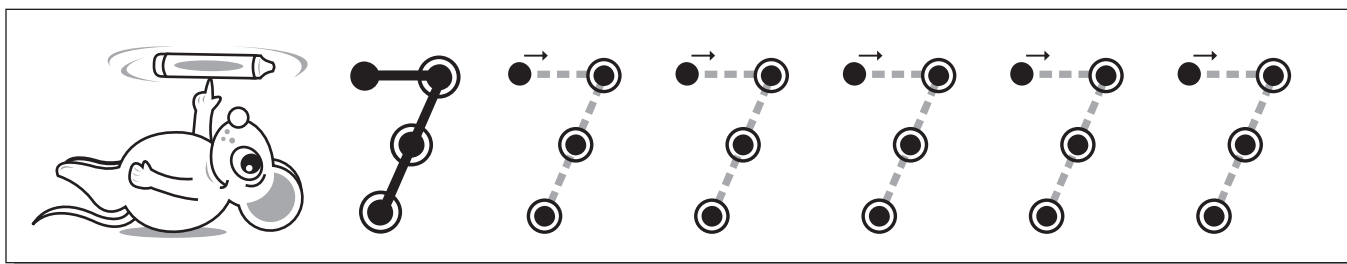

He even wears one on his nose,
So he can see it when he goes!

Name _____

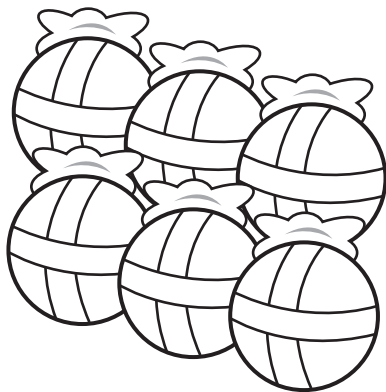

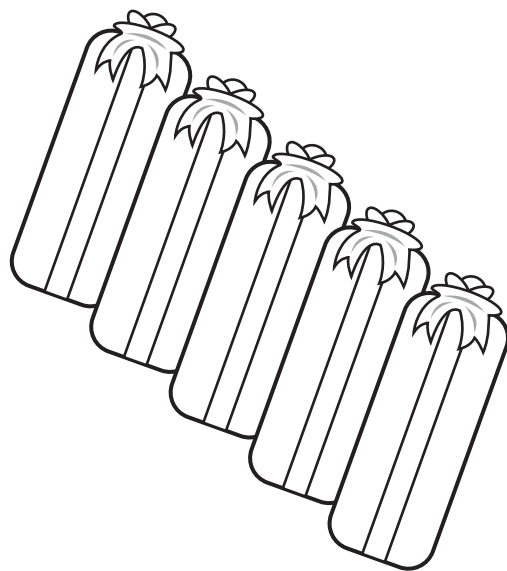

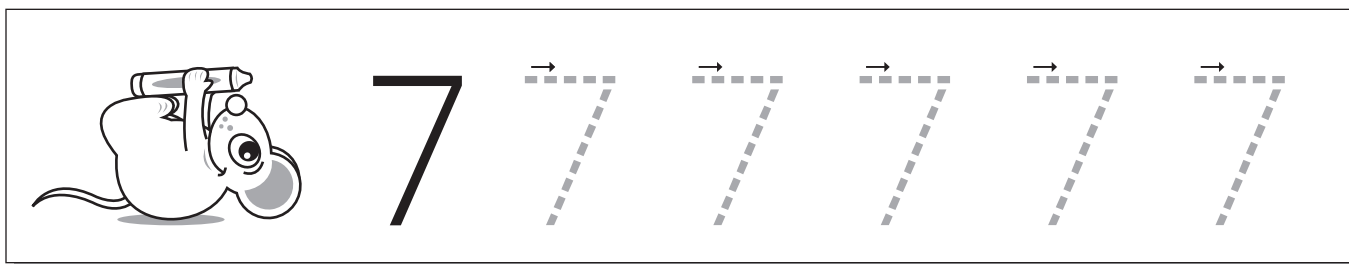

Sometimes he gives them all away
And then makes more another day.

Name _____

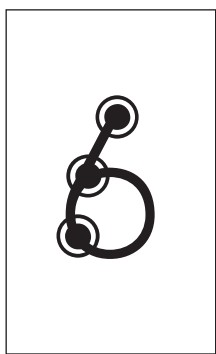

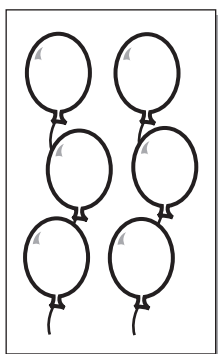

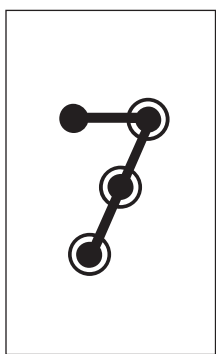

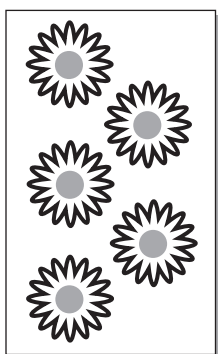

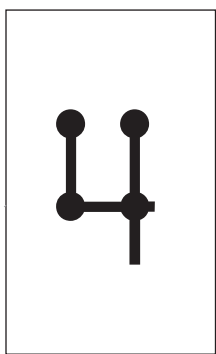

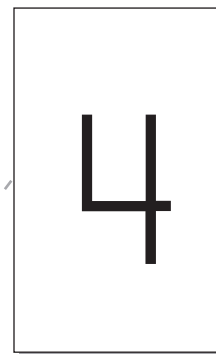

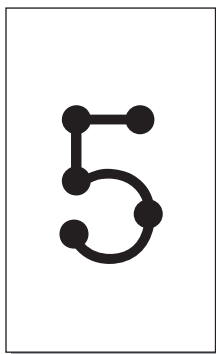

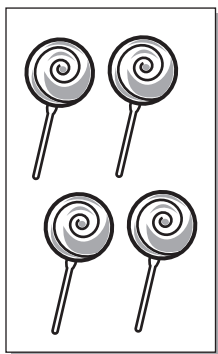

It seems to me it would be fun
To make nice gifts for everyone!

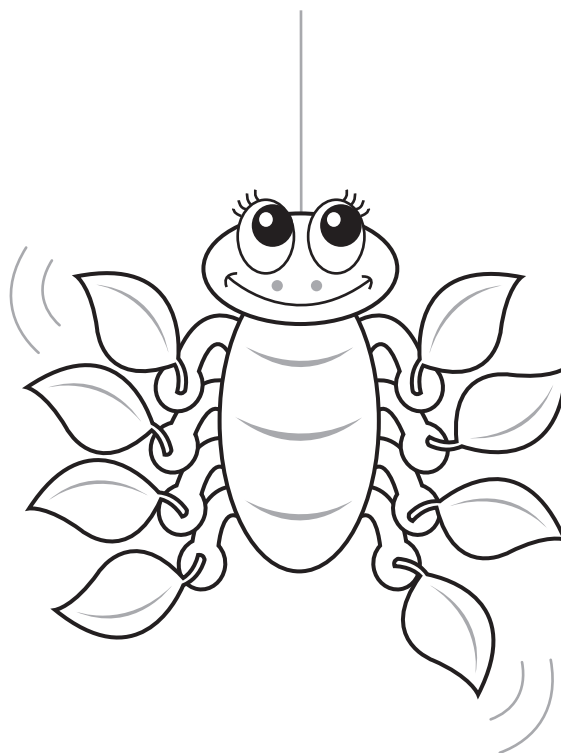

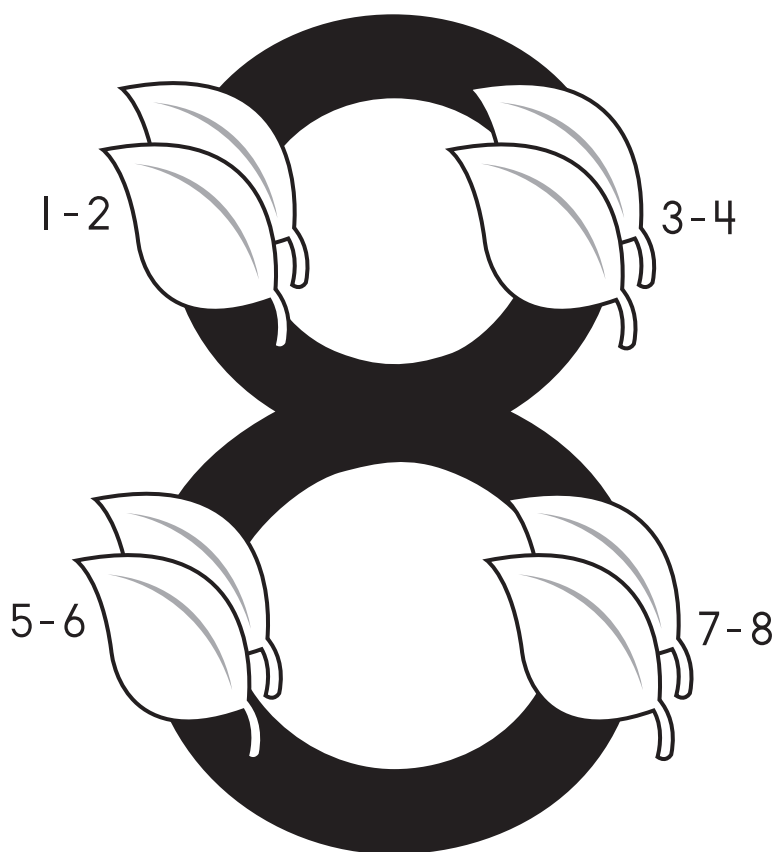

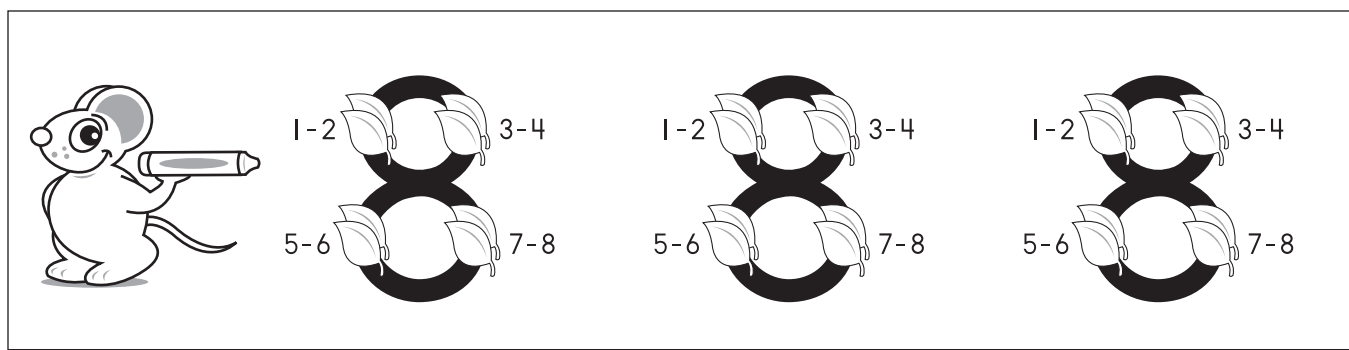

Name _____

Name _____

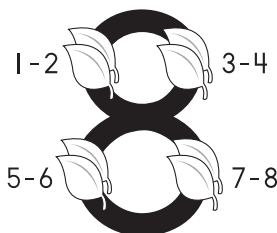

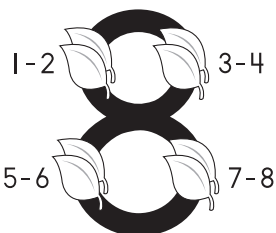

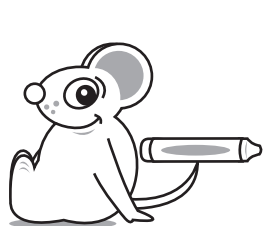

Name _____

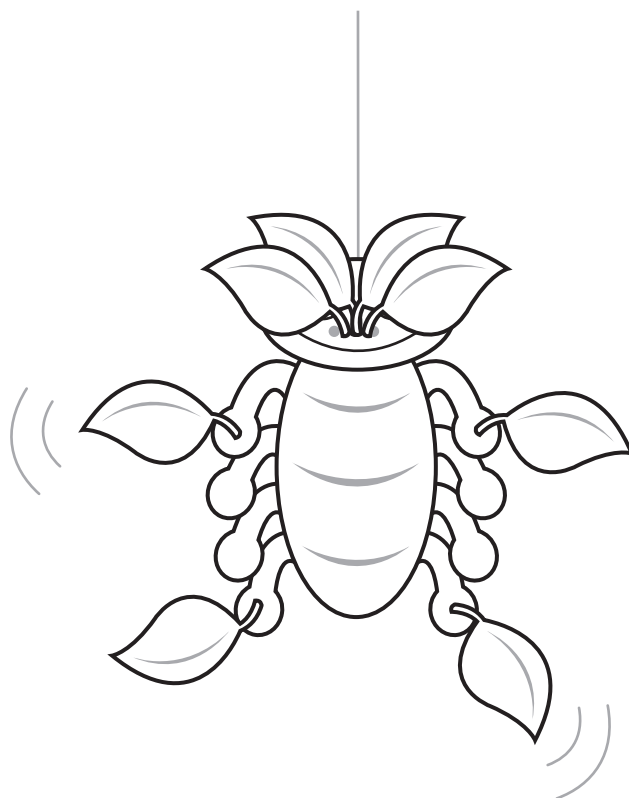

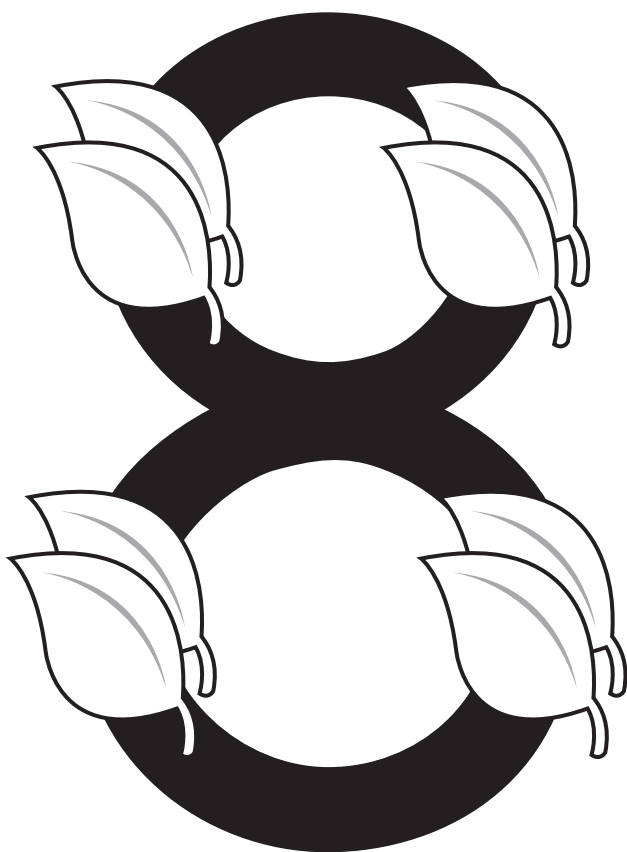

When I look at mister eight,
I think there must be some mistake.

Name _____

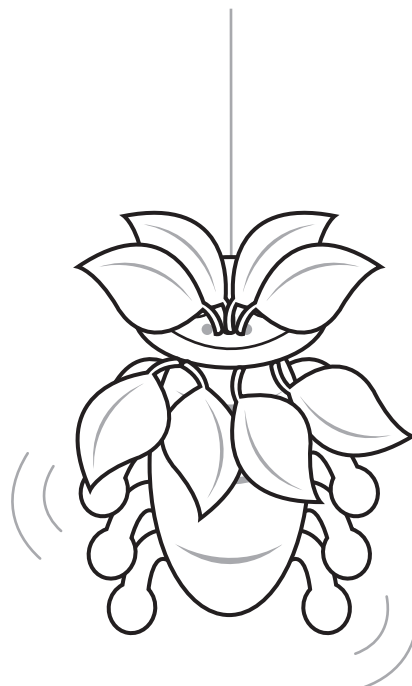

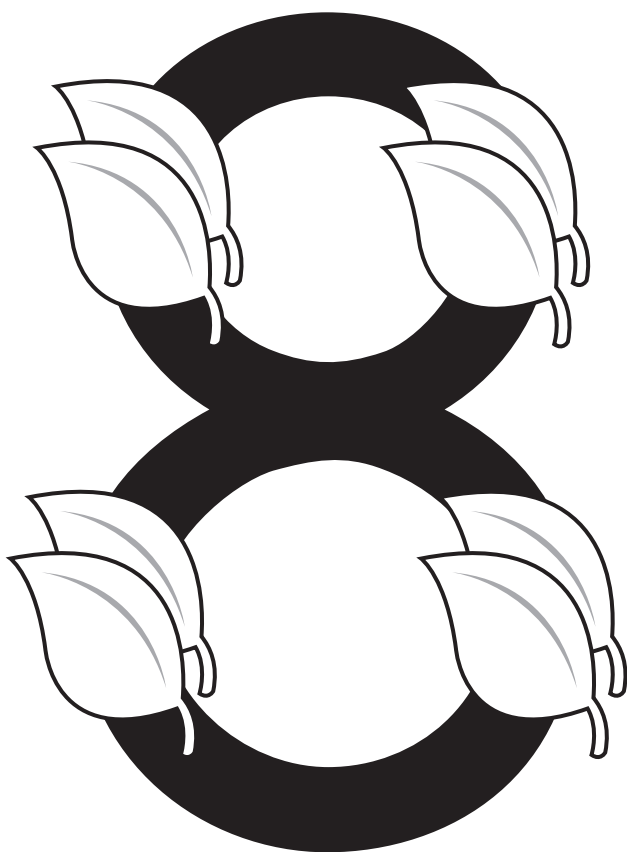

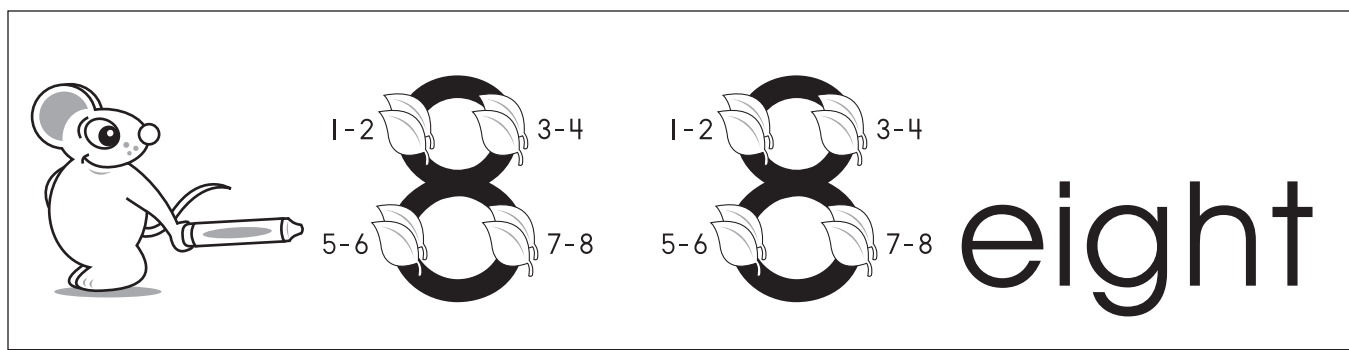

eight

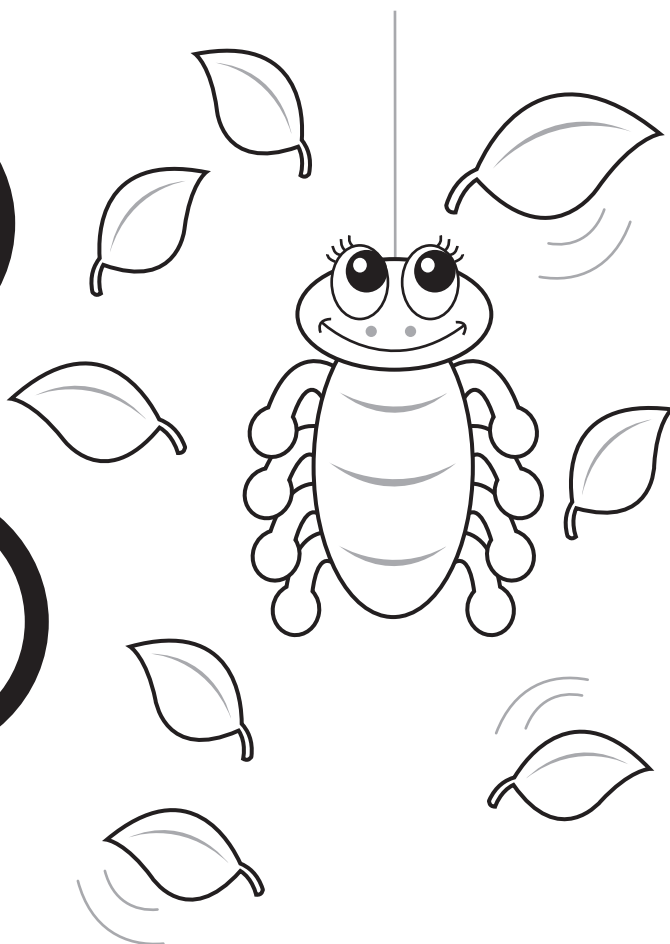

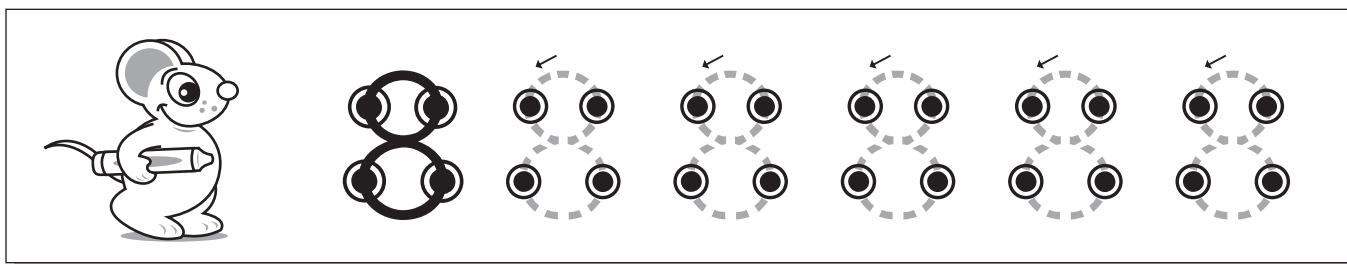

He wears four leaves that look like eyes.
I wonder if he's in disguise?

Name _____

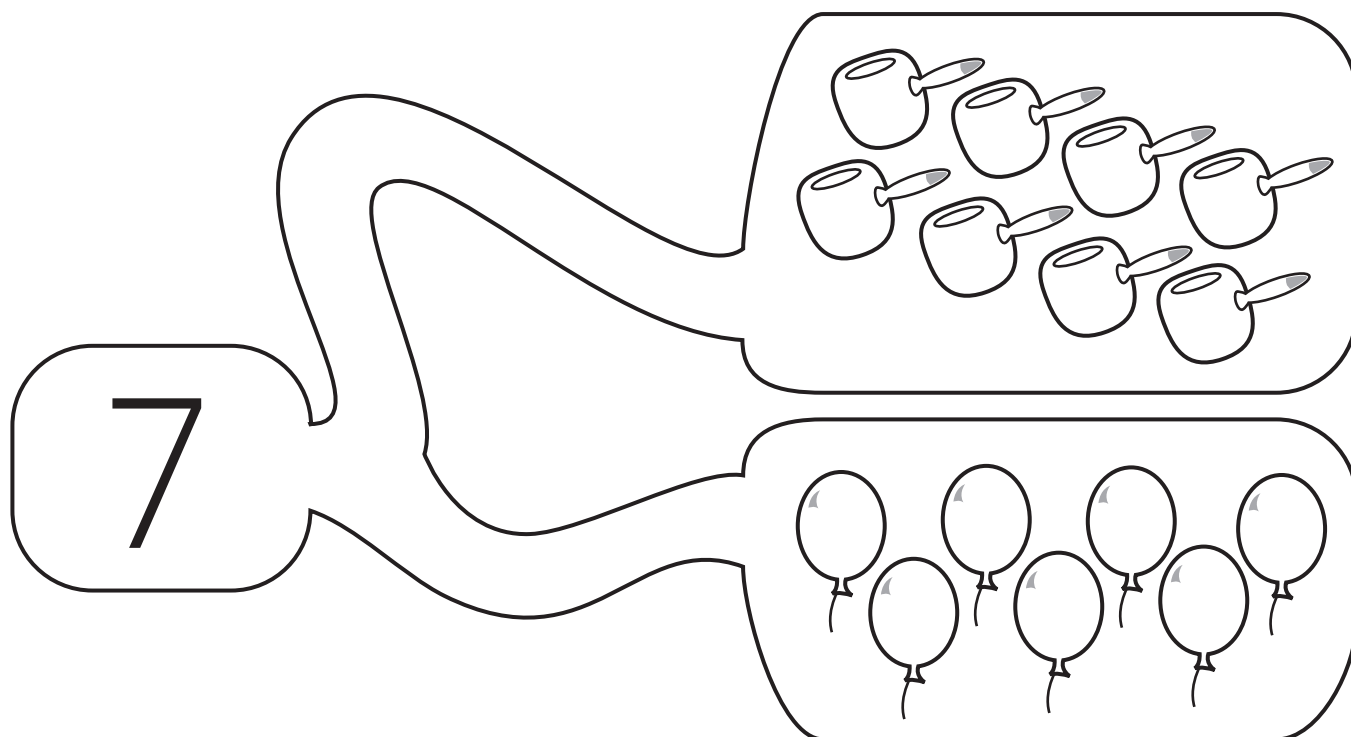

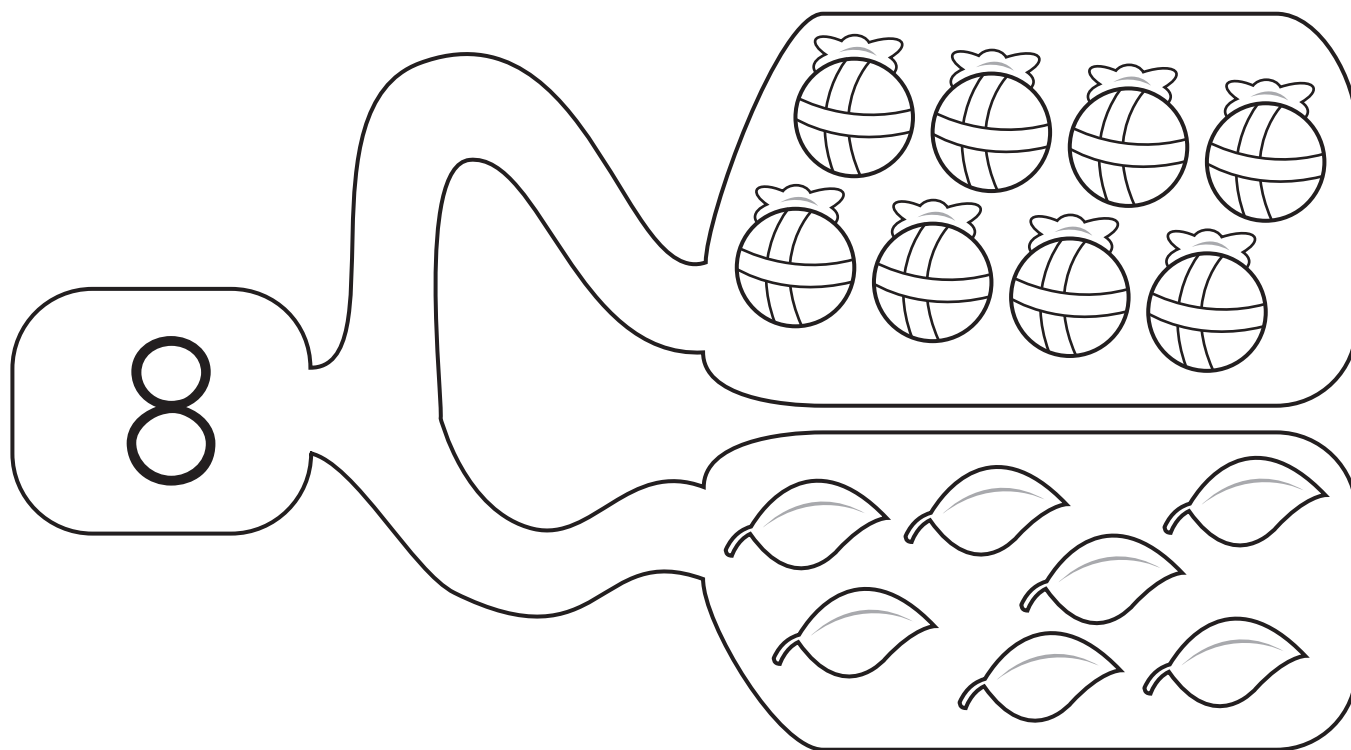

Then he has four more below.
They all look odd to me, I know!

Name _____

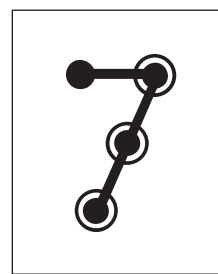

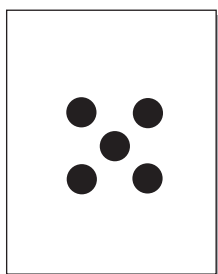

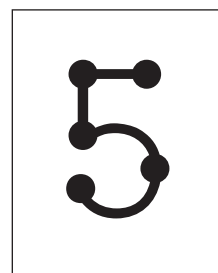

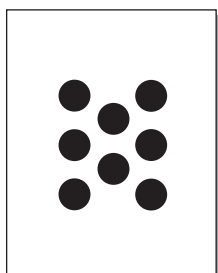

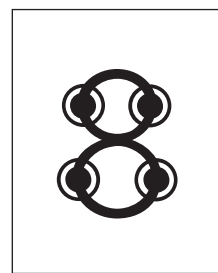

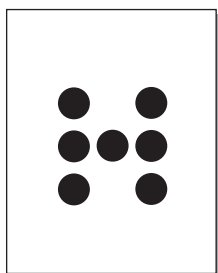

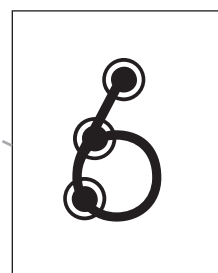

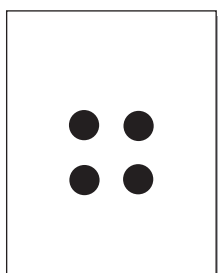

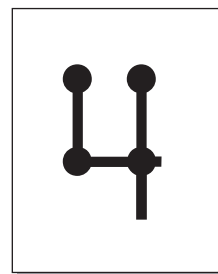

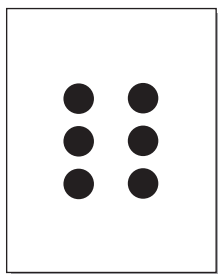

I asked him, "Mister, if you please...
What will happen if you sneeze?"

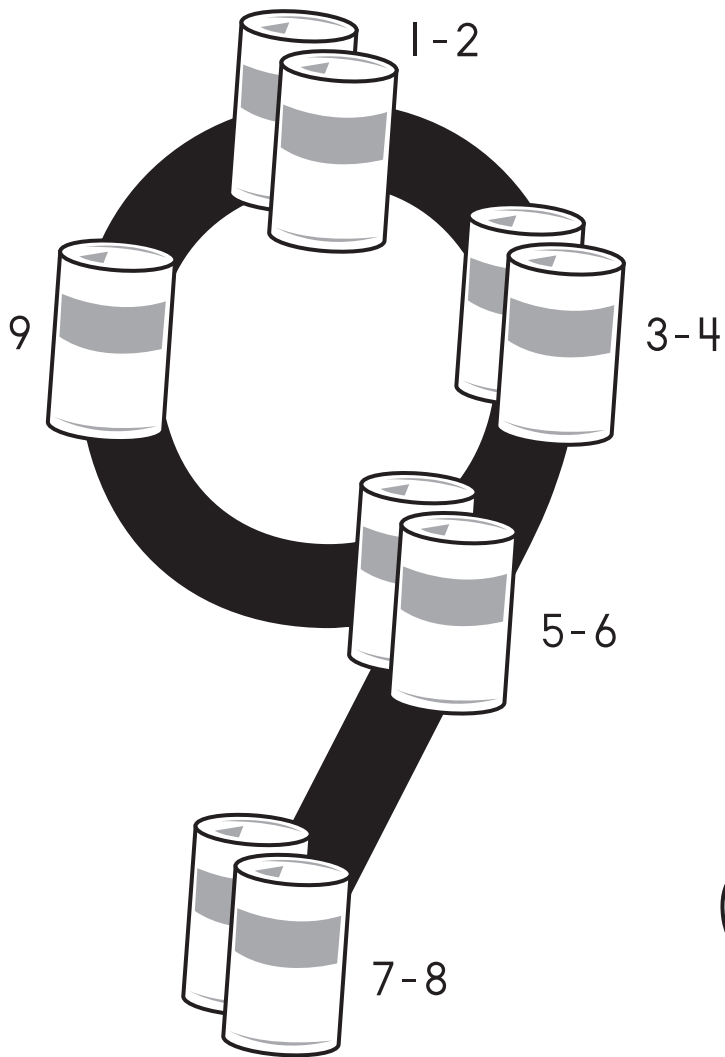

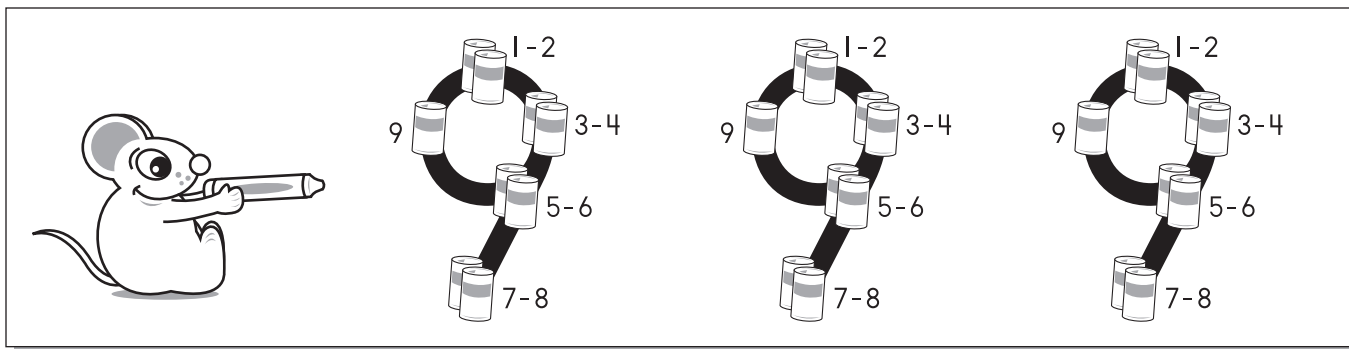

Name _____

Name _____

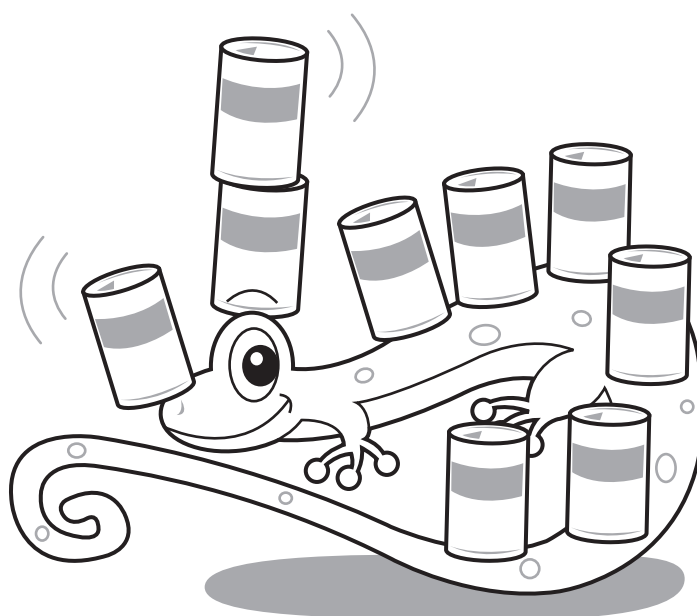

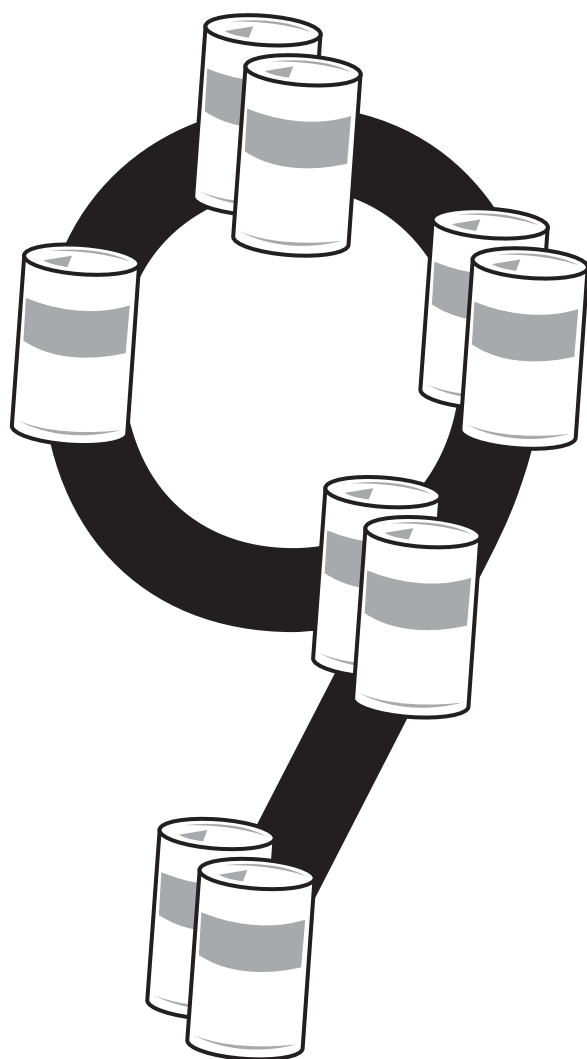

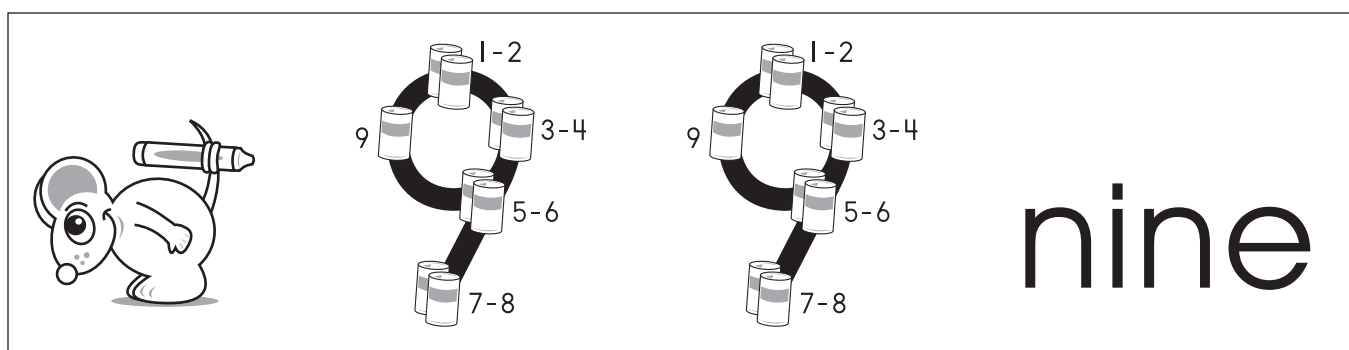

Name _____

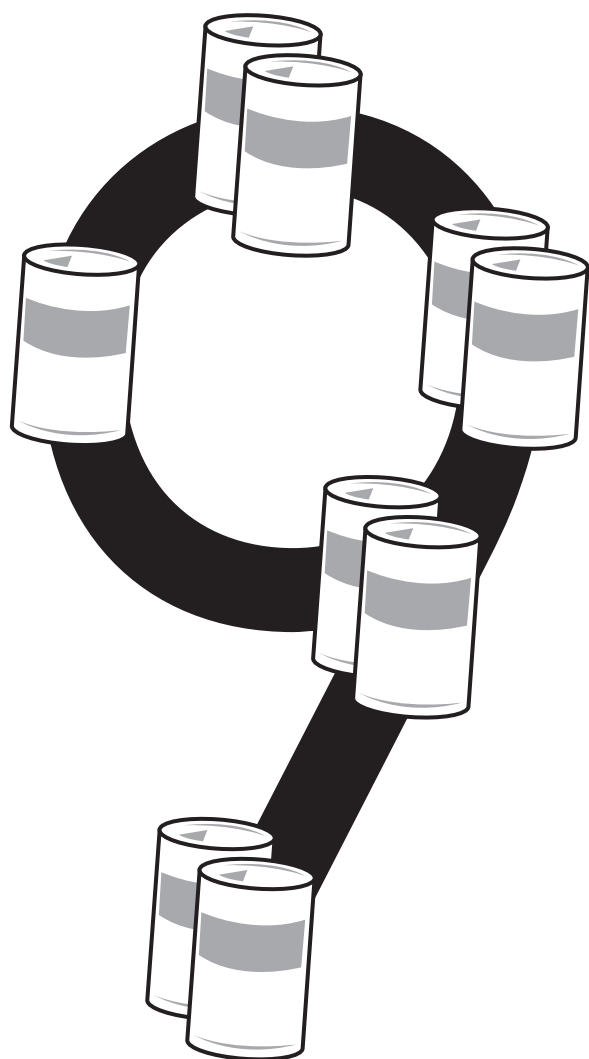

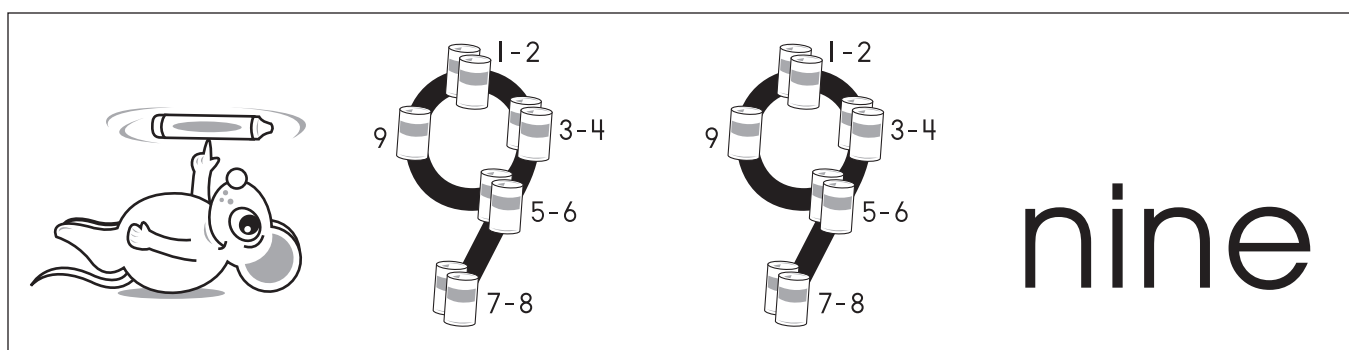

Number nine thinks he's just grand.
He wears a lot of colored cans!

Name _____

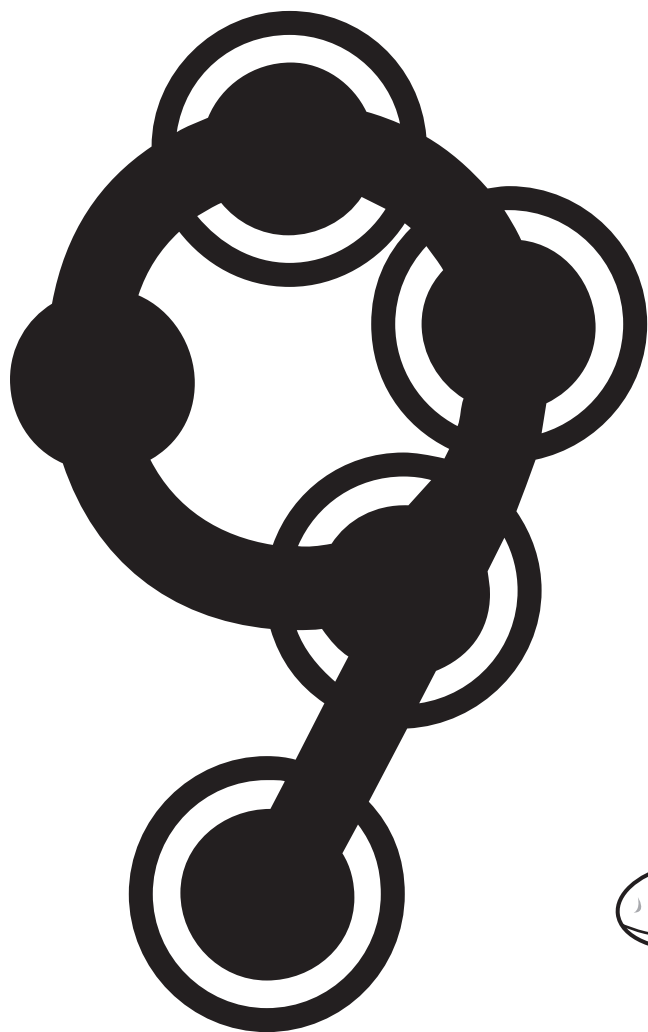

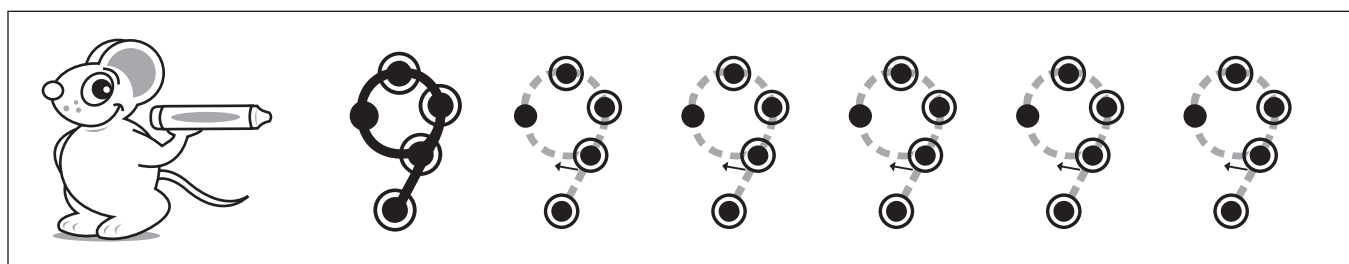

Top, side, and on his nose,
You'd think he'd get some better clothes.

Name _____

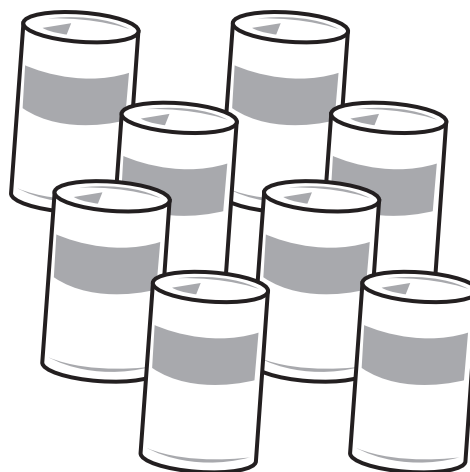

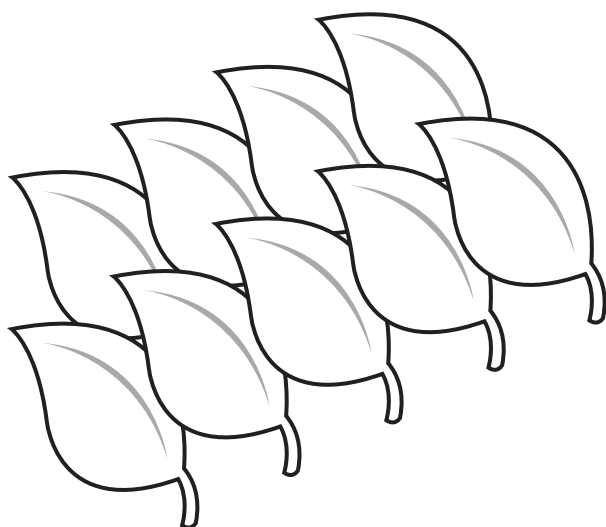

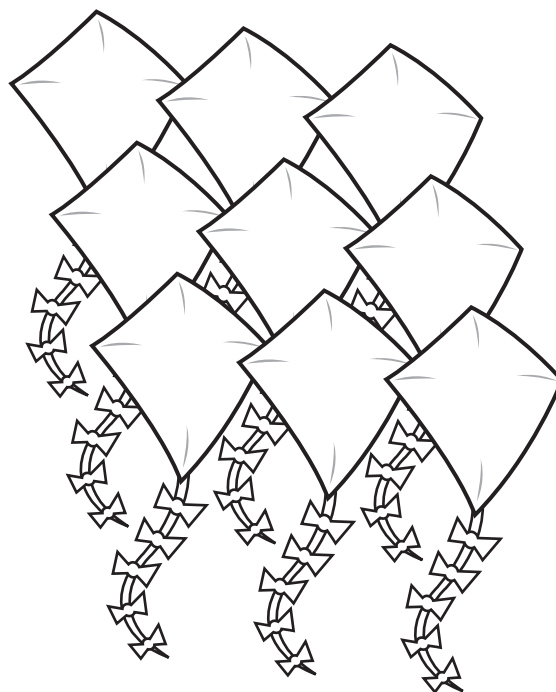

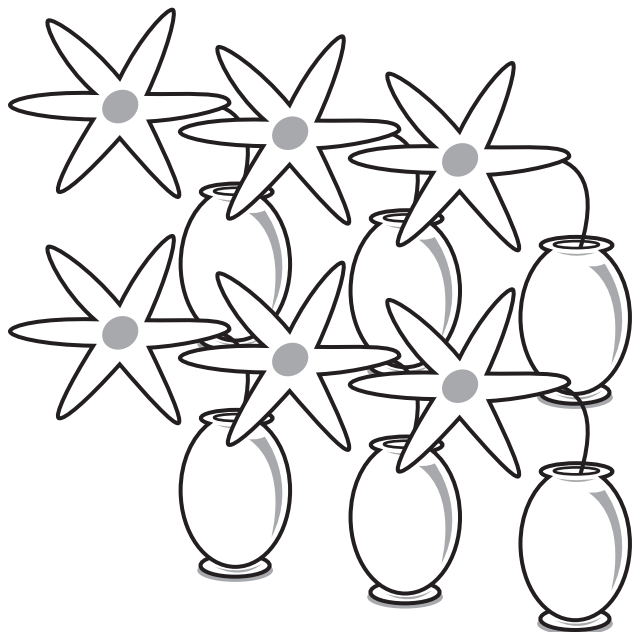

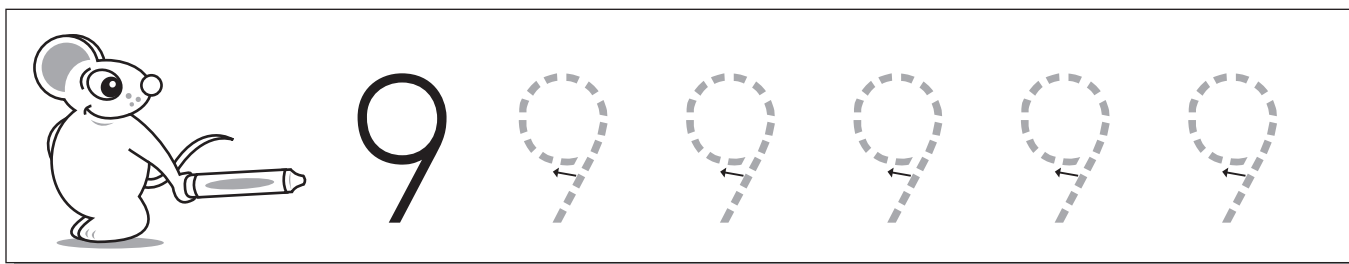

One on his nose looks really funny.
It makes his nose look like it's runny.

Name _____

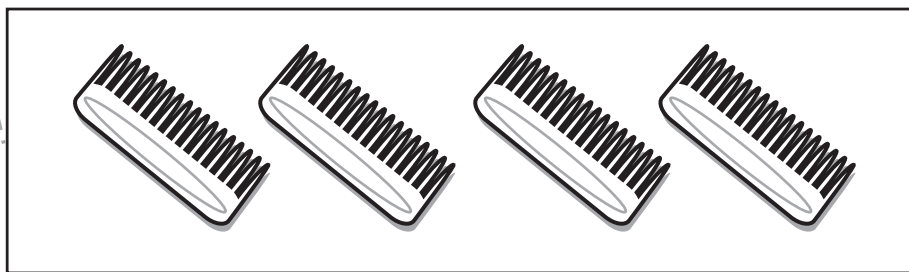

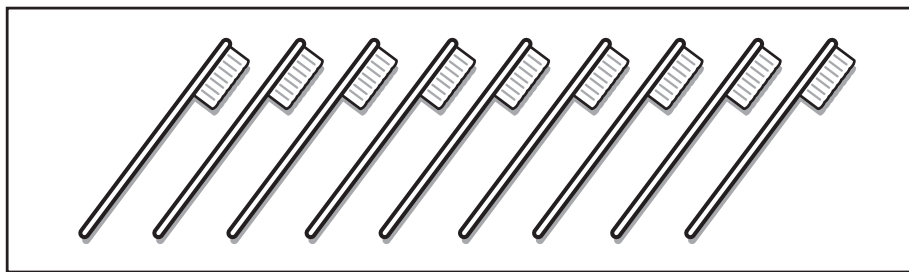

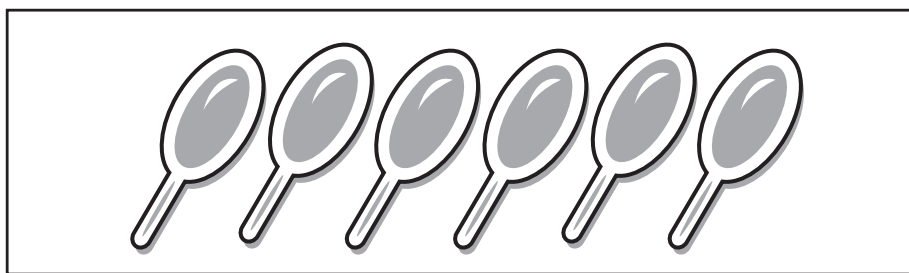

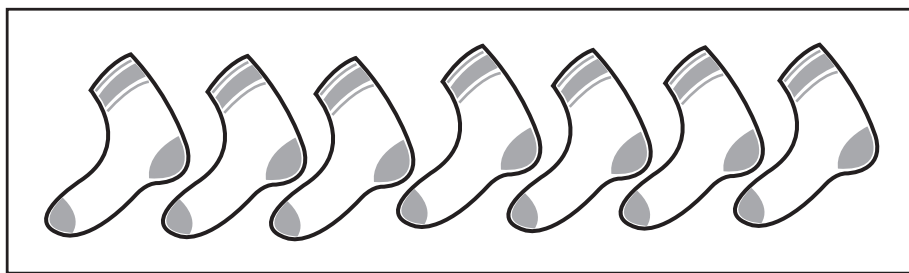

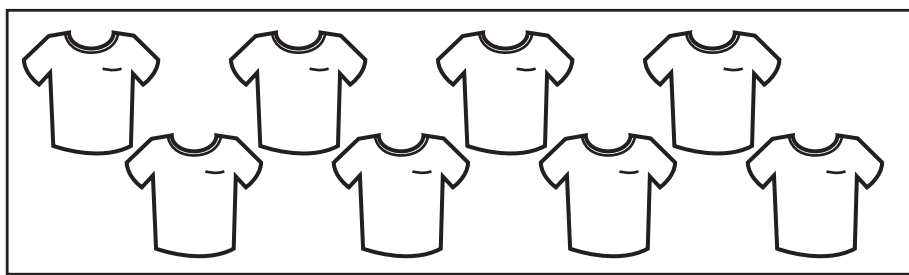

Number nine thinks he's just grand.
I think he looks like Mom's old cans.

Name _____

Name _____
