

# Mrs. Russell's 3<sup>rd</sup> Grade Remote Learning Plan

Dear Parents,

We made it through a week of remote learning! Thanks again for all you've done and continue to do to help make this a smooth experience for your child and for me! I appreciate your patience and flexibility more than I can say. ☺

As we begin the week, please remember that the plan is flexible and if you are having a difficult time or a link isn't working, please let me know so that I can help you. There is nothing that we can't fix. Your child should be able to access most, if not all materials with little assistance. We used Teams during the school year and last week was a nice refresher for them. **When working on an "Assignment" in Teams, you must click on "Edit Presentation" to edit the Powerpoint.** The assigned work this week should take longer than last week. This is expected! As I stated last week, I was more concerned with you and your children getting acquainted with the format, working out technical issues, and feeling comfortable with our new normal. We are now diving a bit deeper into content. I have noted assignments that will be checked for completion and entered into PowerSchool, within the plan. Please take note of that.

All "To Do" assignments should be completed by the end of the week (Sunday). Optional assignments are optional! I will post additional optional assignments throughout the week. These will be under Assignments in Teams, and will be labeled, "OPTIONAL." I will be using Teams (on Office 365) to post MOST of the assignments. It will always be noted in the weekly plan. Acceptable forms of showing completion include; screenshots or pictures of work emailed to me, submissions through Teams when applicable, or through our Classroom Notebook on Teams (top bar by Assignments, Files, etc.) If these forms do not work for you, please contact me and we can work it out together.

I have added a private page for each child in Classroom Notebook, OneNote. Here are the directions for accessing this page. As always, they can also comment on our Teams page, and/or email me.

Students: [\\*\\*Click here to access OneNote](#)

When you click on the One Note link, you will click sign in and use your Office 365 login.

Office 365 Username - `firstname.lastname@shsd161.org`

Office 365 Password - Address # + Book --> Example: 1234Book

Homeroom notebook name --> Russell- 3rd Grade- 189 Notebook

Give it a few seconds to load. Then click on your name on the left-hand side.

Click on section "My Conversation (Questions) with Mrs. Russell" You can type directly on the "untitled page" or the "Our Conversation" page. ☺

I will again be available each day on Microsoft Teams and via email from 8:30-1:30. Please do not hesitate to reach out to me with any questions or concerns you have during this time. If I do not respond immediately, I am working with another student(s) and/or trying to troubleshoot and will be with you as quickly as possible. Thank you for your patience and flexibility. Take a deep breath, give yourself some grace, and know that you are doing a fantastic job regardless of how this week unfolds! ☺

Yours in education,

Mrs. Russell

[trussell@summithill.org](mailto:trussell@summithill.org)

*My Dearest Students,*

*GREAT JOB LAST WEEK! I am so proud of your hard work. You guys make remote learning look easy!!*

*Please remember that I am here for you and will help you in any way that I can. Let's get excited about week 2! ☺ Love, Mrs. Russell*
