

Mrs. Russell's 3rd Grade Remote Learning Plan

Dear Parents & Students,

I hope everyone had a great weekend! Students, I hope you spoiled your moms with lots of hugs, snuggles, and most of all...perfect behavior!! ;)

We only have a couple more weeks of remote learning so let's make the most of it!

I've taken the journal entries off of assignments checked for completion. Please continue to work on the journal if you would like. I have seen AMAZING writing come from the prompts! ☺

Repeat of important information.....*Students, please remember that assignments checked for completion are marked with **. My suggestion would be to watch instructional videos and read instructional material, then complete ** assignments first. Especially if you are having a difficult time completing the work. Assignments **not** marked with ** would be of next importance. THEN the OPTIONAL assignments would be of least. Any questions, please ask!*

***Please remember that any assignments labeled "Optional" are optional. They are highlighted in pink on the learning plan as well. Some students like additional practice, other families do not have the time for it. I completely understand both.*

A message from Miss Turek (Music Teacher)

Hi Rogus Students!

Please remember to go to my teacher page to complete your music assignments. All of these assignments will be put into Power School. The current assignment is on the top and the past assignments are in download. Please contact me if you have any questions, sturek@summithill.org.

Miss Turek

Thank you for all you do! Have a wonderful week.

Yours in education,

Mrs. Russell
