

Mrs. Russell's 3rd Grade Remote Learning Plan

Dear Parents & Students,

Can you believe this is our LAST week?! I'm guessing you said, "yes!" Haha....

It does seem like forever since we were in the classroom, but it's also hard to believe we're nearing the end of May.

Thank you so much for your efforts, patience, and grace during this time of remote learning. It has been quite the adventure for everyone. One more week!

I am scheduling a Zoom again this week and will email you the link tomorrow. The zoom will be on Tuesday at 11:00. I thought it would be fun to share jokes/riddles. Bring your favorite joke/riddle to share with us if you would like. If you don't have a joke to share, that is okay too!

As a reminder, I've taken the journal entries off the list of assignments checked for completion. Please continue to work on the journal if you would like. I have seen AMAZING writing come from the prompts! 😊

From LAST WEEK:

A message from Miss Turek (Music Teacher)

Hi Rogus Students!

Please remember to go to my teacher page to complete your music assignments. All of these assignments will be put into Power School. The current assignment is on the top and the past assignments are in download. Please contact me if you have any questions, sturek@summithill.org.

Miss Turek

Enjoy your last week of remote learning. I tried to keep it light, with most of the focus on Math. Have fun with your end of the year memory book, assigned in ELA. 😊

Yours in education,

Mrs. Russell
